Product Catalog

Version 2.3

FORBIX SEMICON products

- Wireless nurse call system
- Wireless office peon call bell systems
- Token control dialer and display
- Staff call bell system
- Restaurant waiter calling system
- Panic alarm systems
- Wireless crane controls
- Wireless transmitter receivers
- Water level controllers
- Air quality monitors
- Motion sensor wireless alarms
- Highway emergency calling systems
- Wireless traffic light controllers
- Unmanned railway crossing alarms
- Customer list

FORBIX SEMICON factory produces over 600+ electronic products and wireless automation solutions

All FORBIX SEMICON machines, equipments are deployed at over 40,000+ customer locations across the world and working flawlessly from over a decade

Nurse call system

FORBIX SEMICON

Products deployed at

over **40,000+**

Customer

location across the world

we produce over **600+** products

- **No wiring**
- **No installation**
- **No maintenance**
- **Cost effective**
- **Wireless solutions**
- **No limitation signal range**
- **Long lasting and robust**

Wireless nurse call system

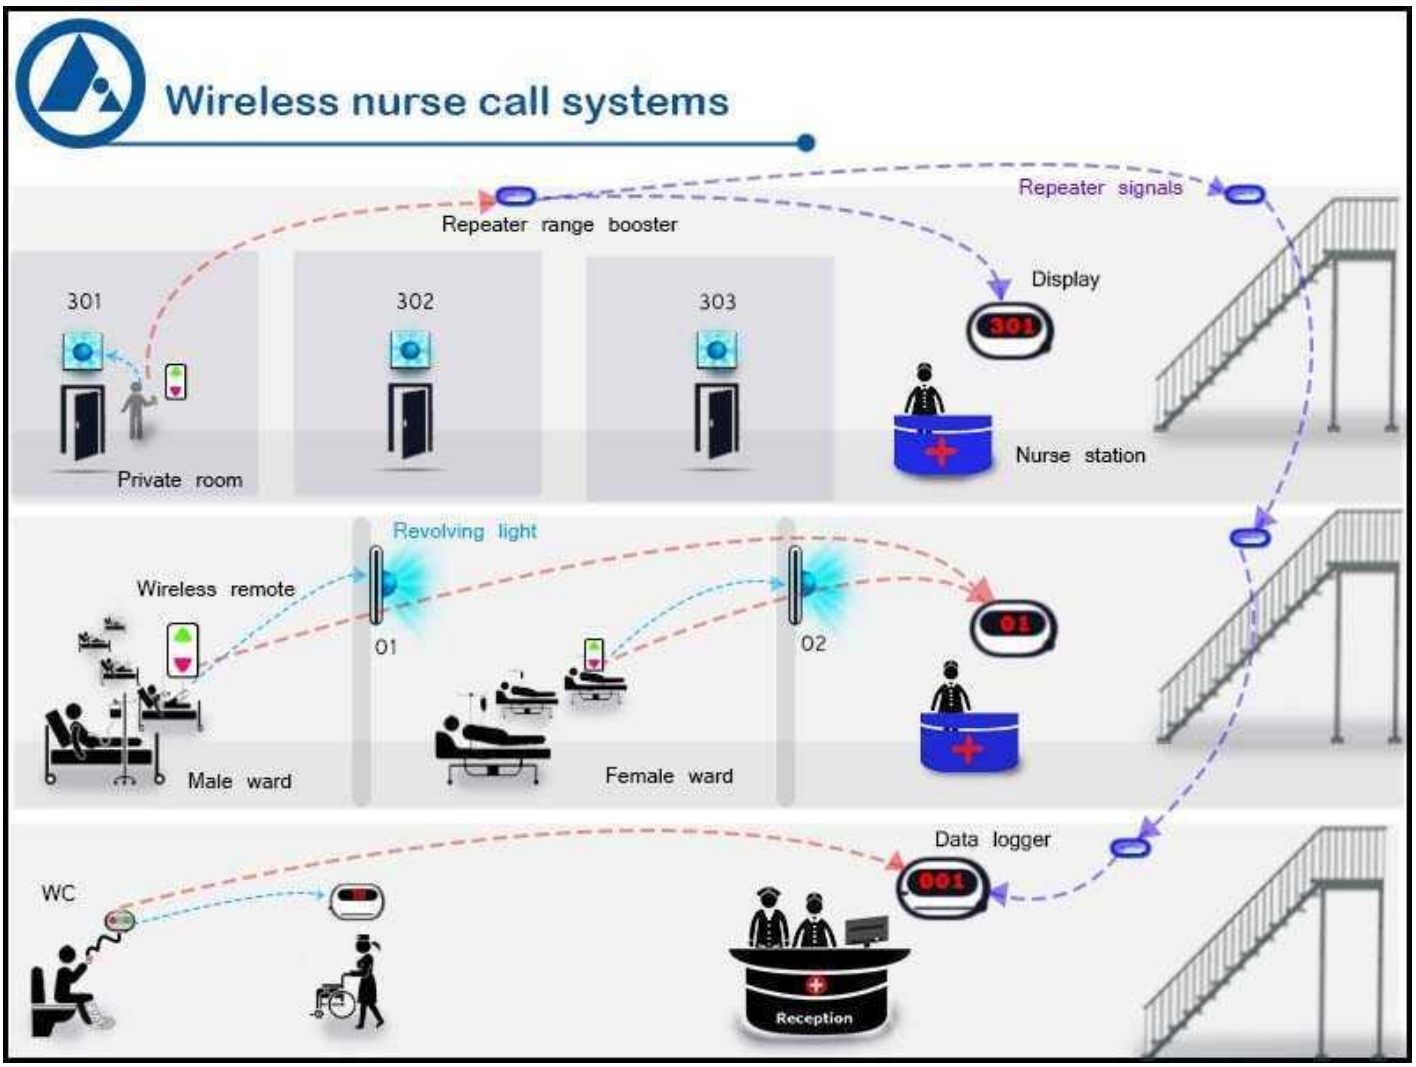

Remote controller transmitters and nurse call buttons

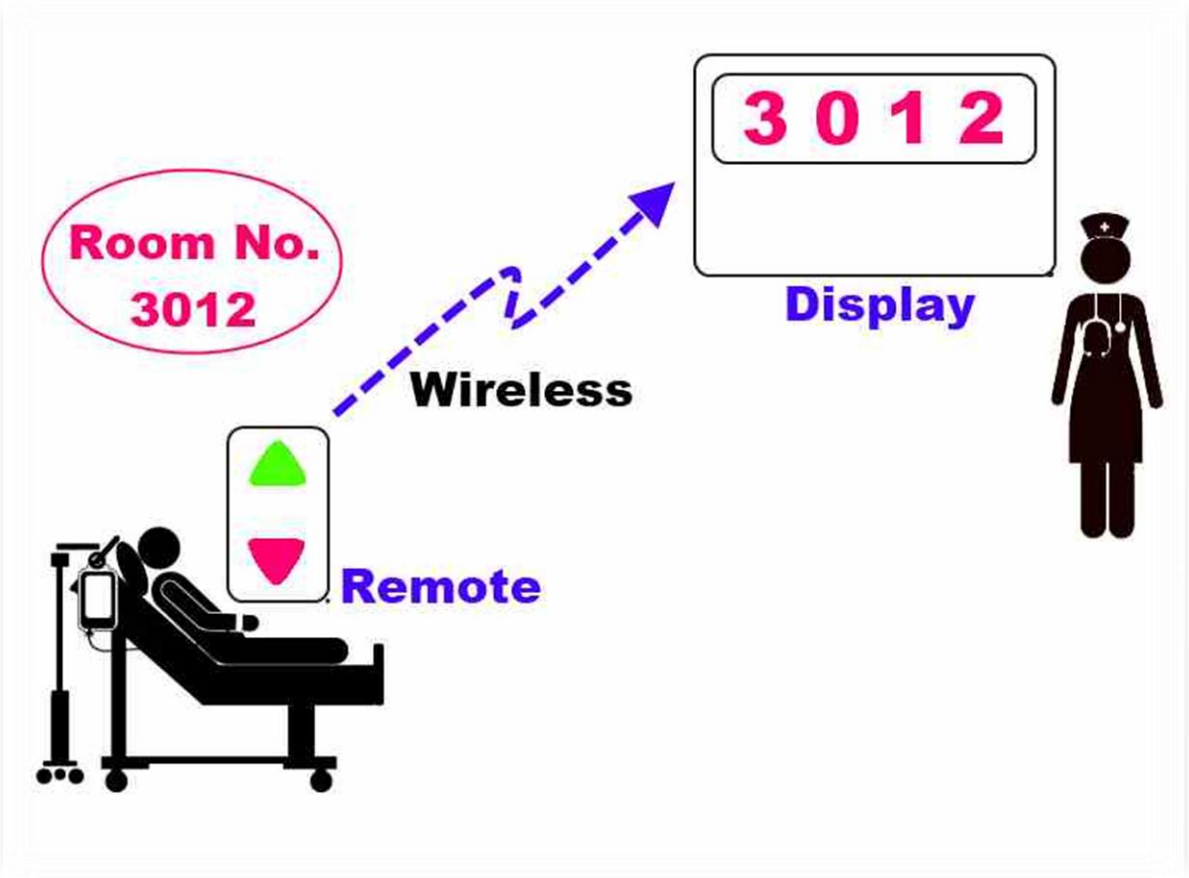

Wireless nurse call system components

Model : FBX521
Description: Wireless remote controller

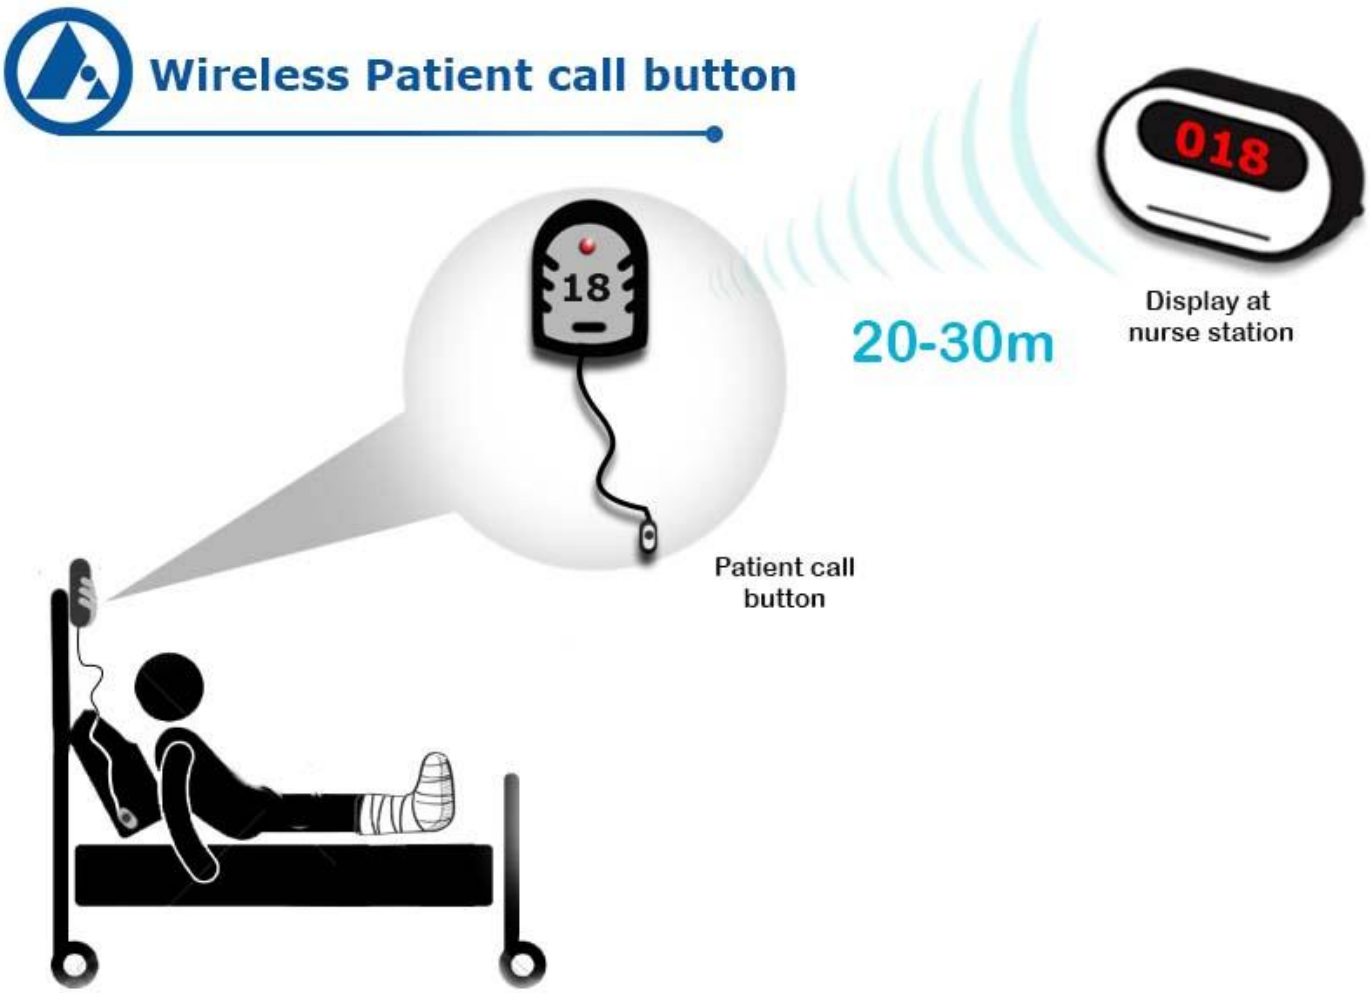

Model : FBX521R
Description: Wireless remote controller

Wireless nurse call system components

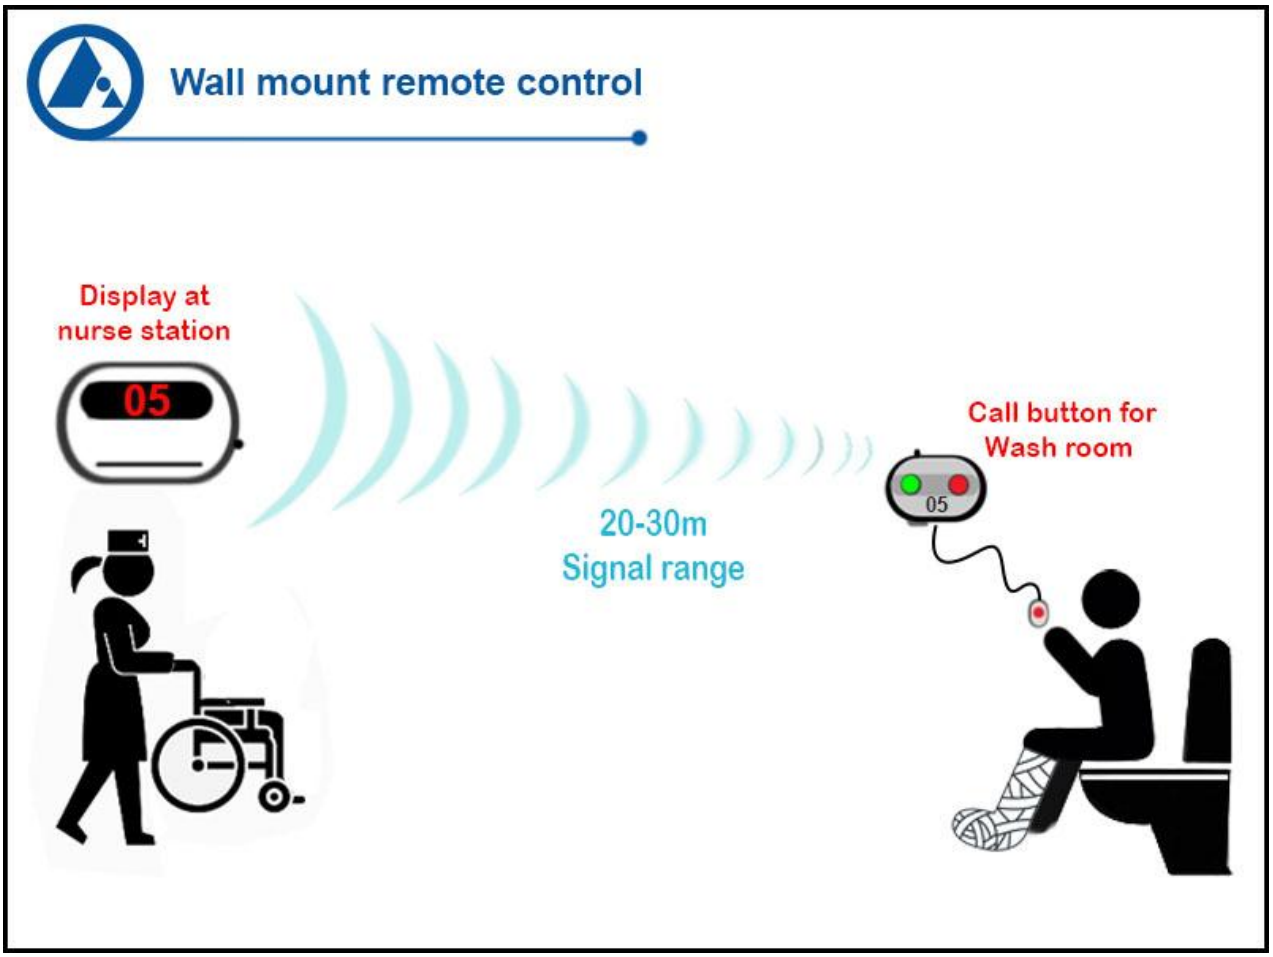

Model : FBX525
Description: Wall mount calling point

Wireless nurse call system components

Model : FBX545
Description: Wall mount calling point (IP65 weatherproof)

Wireless nurse call system components

Model : FBXCSL02A
Description: 2 digit nurse call station

Mode: FBXCSL02A-DL (with data logger)

Model : FBXCSL03A
Description: 3 digit nurse call station

Mode: FBXCSL03A-DL (with data logger)

Model : FBXCSL04A
Description: 4 digit nurse call station

Mode: FBXCSL04A-DL (with data logger)

Features of display receivers

- Programmable up to 250 remote controllers
- Beep sound with adjustable volume knob
- Local cancellation by the nurse
- Call and cancel from remotes
- Alpha numeric customized numbers possible
- Possible alphabets: A, b, c, C, d, E, e, F, G, H, i, J, L, n, o, r, t, u, Y

Features of Data Logger receivers

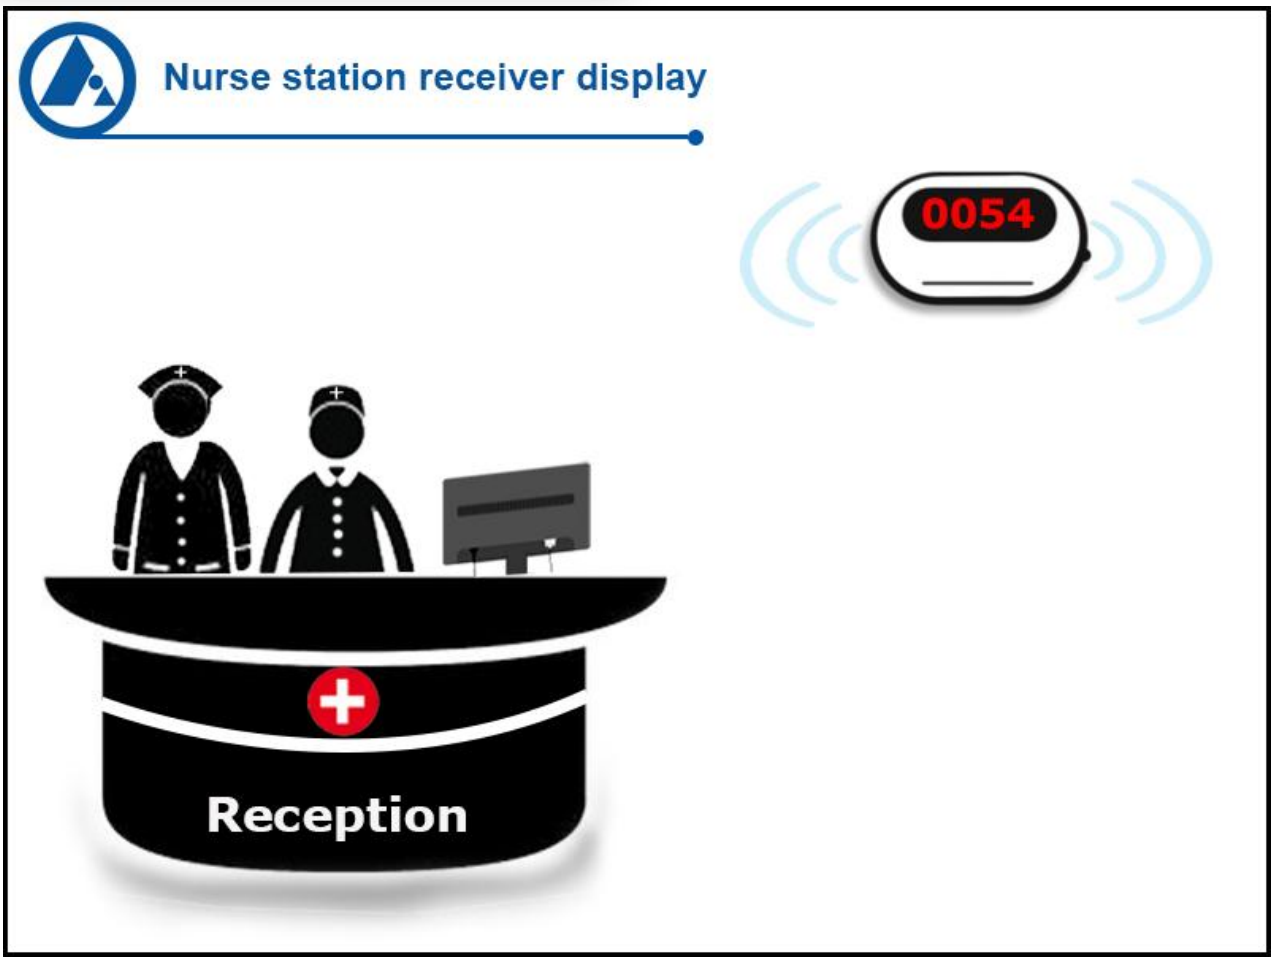

- Continuous data recording of incoming calls
- Internal RTC (real time clock)
- Memory SD Card 2GB/4GB/8GB
- WiFi interface to download data

Wireless nurse call system components

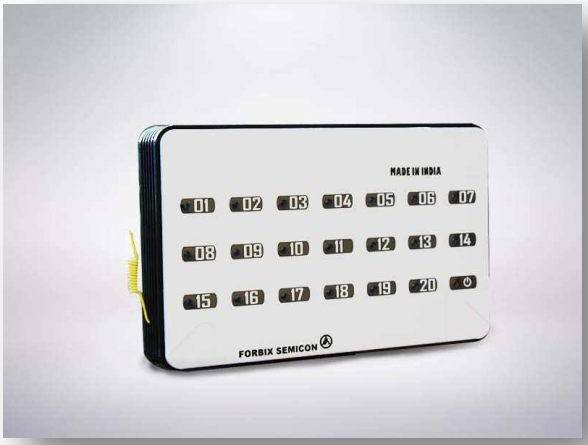

Model : FBXCSL04A
Description: 4 digit nurse call station

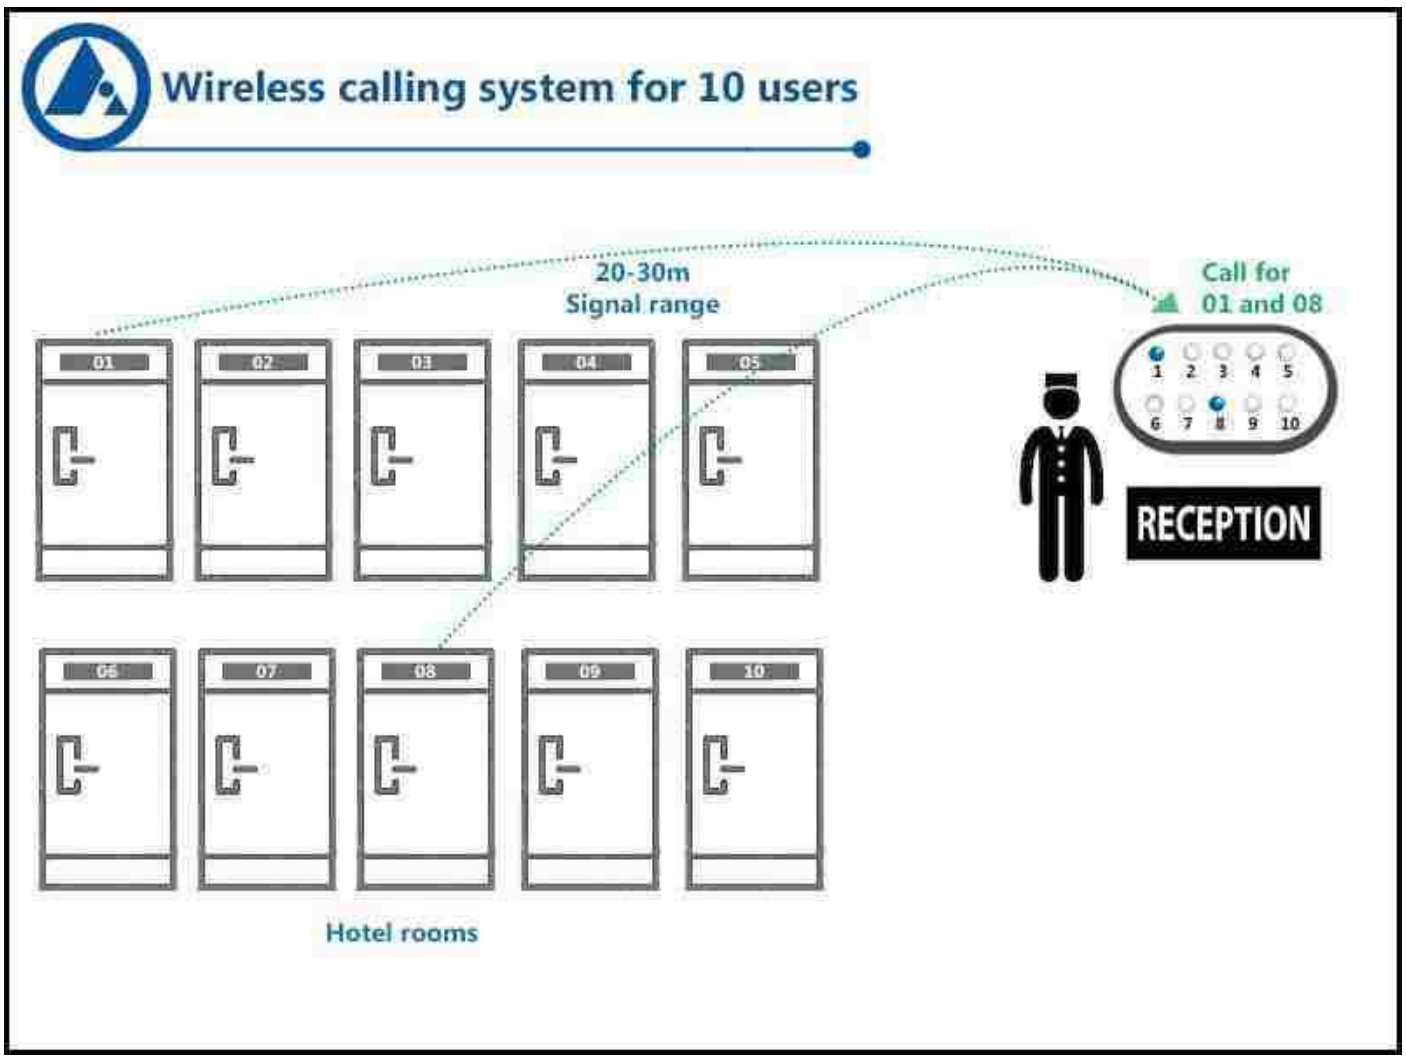

Mode: FBXCSL04A-DL (with data logger)

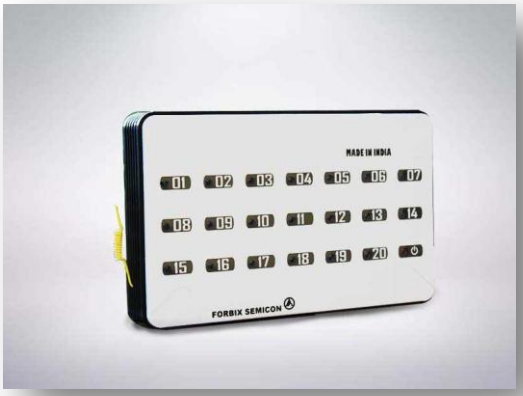

Indicator and display

Model: FBXCSI20A
Description: 20 indicator system

Indicator and display

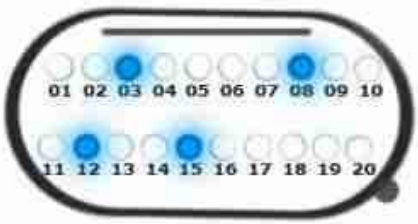

Model: FBXCSI20A
Description: 20 indicator system

Model : FBXCSL02A
Description: 2 digit nurse call station
Mode: FBXCSL02A-DL (with data logger)

Wireless indicator and display

Indicator display

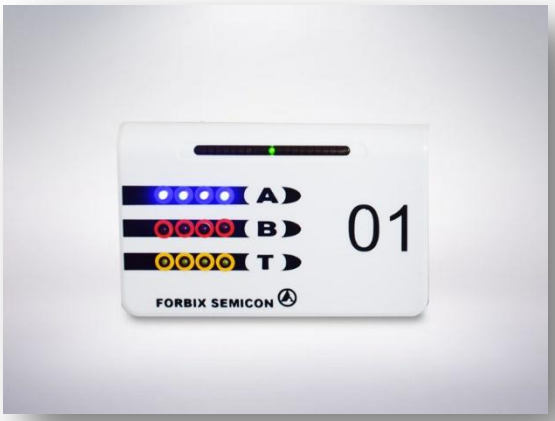

7 segment display

- All calling point shows together
- Numbers 01/02/.....
- Maximum 32 calling points

- Round robin display
- Customized numbers 7A/2P...
- Maximum 250 calling points

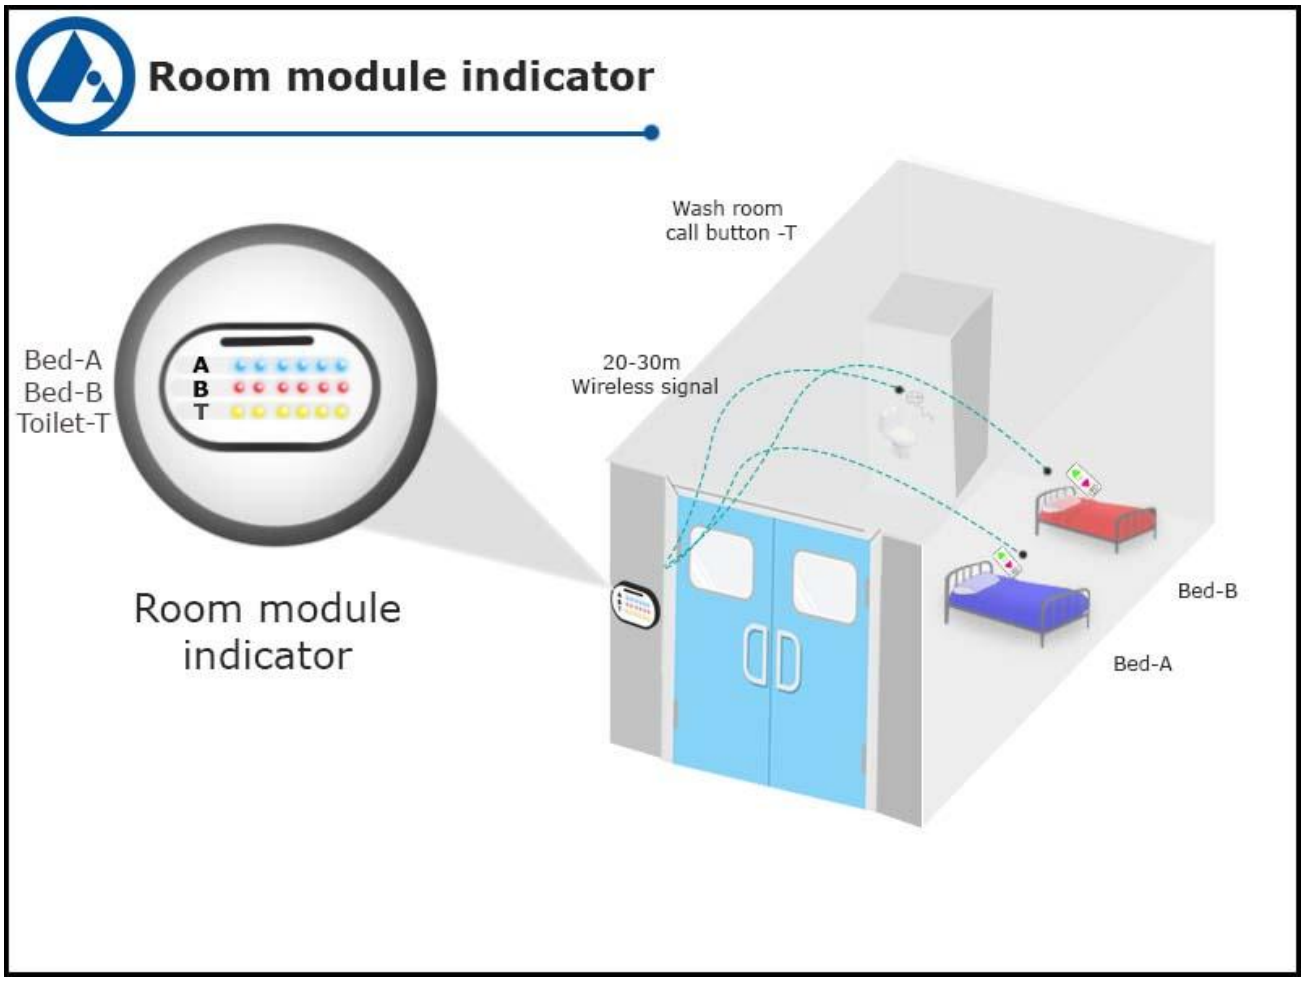

Room and doors indicators

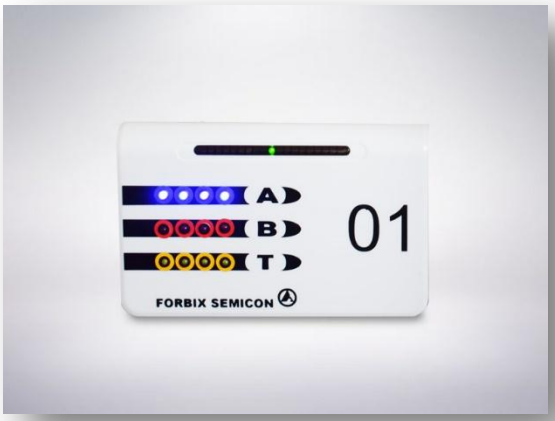

Model: FBXRM01
Description: Room module indicator

Model : FBX521
Description: Wireless remote controller

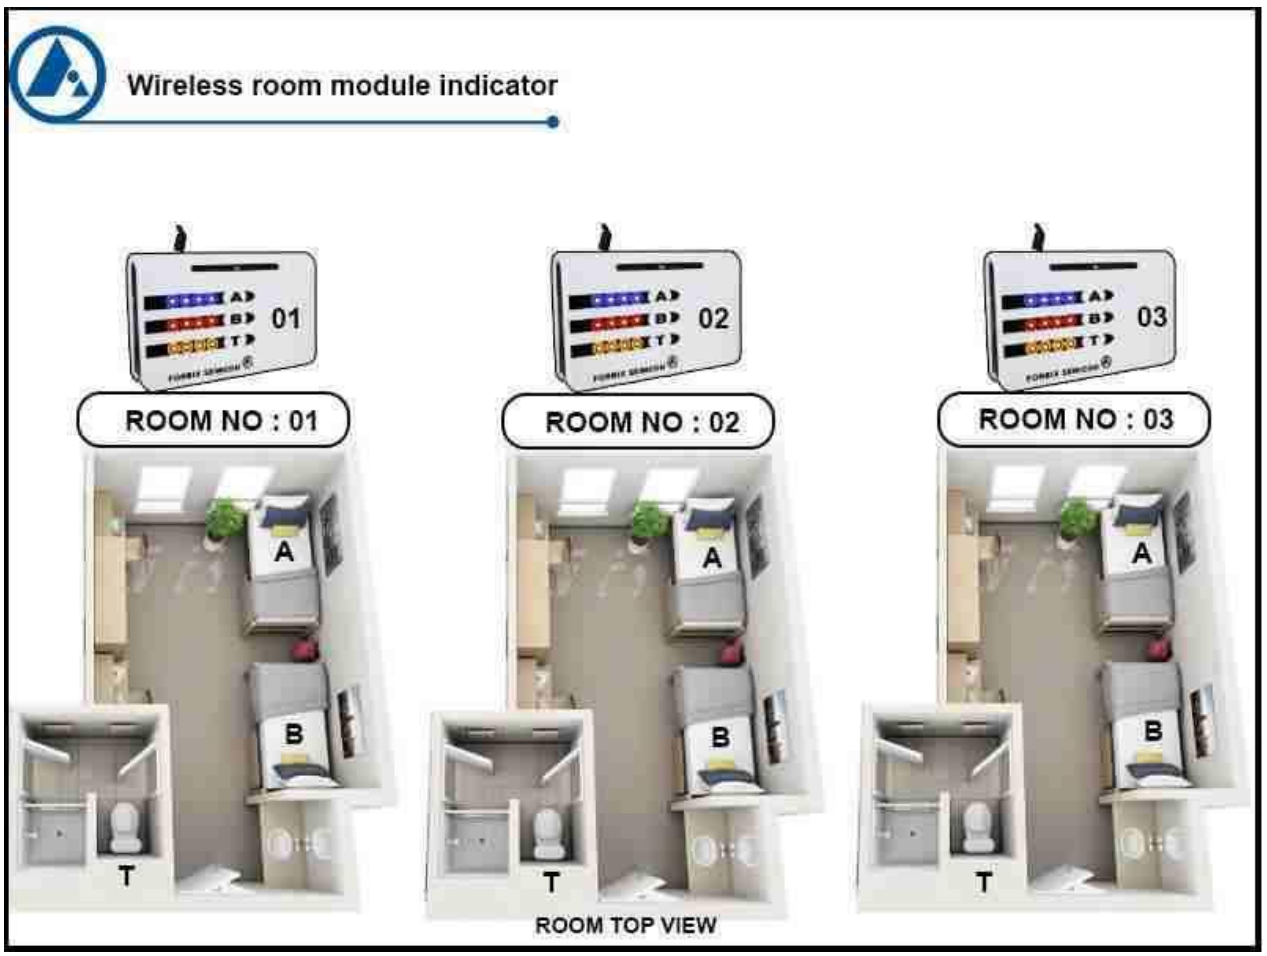

Room and doors indicators

Model: FBXRM01
Description: Room module indicator

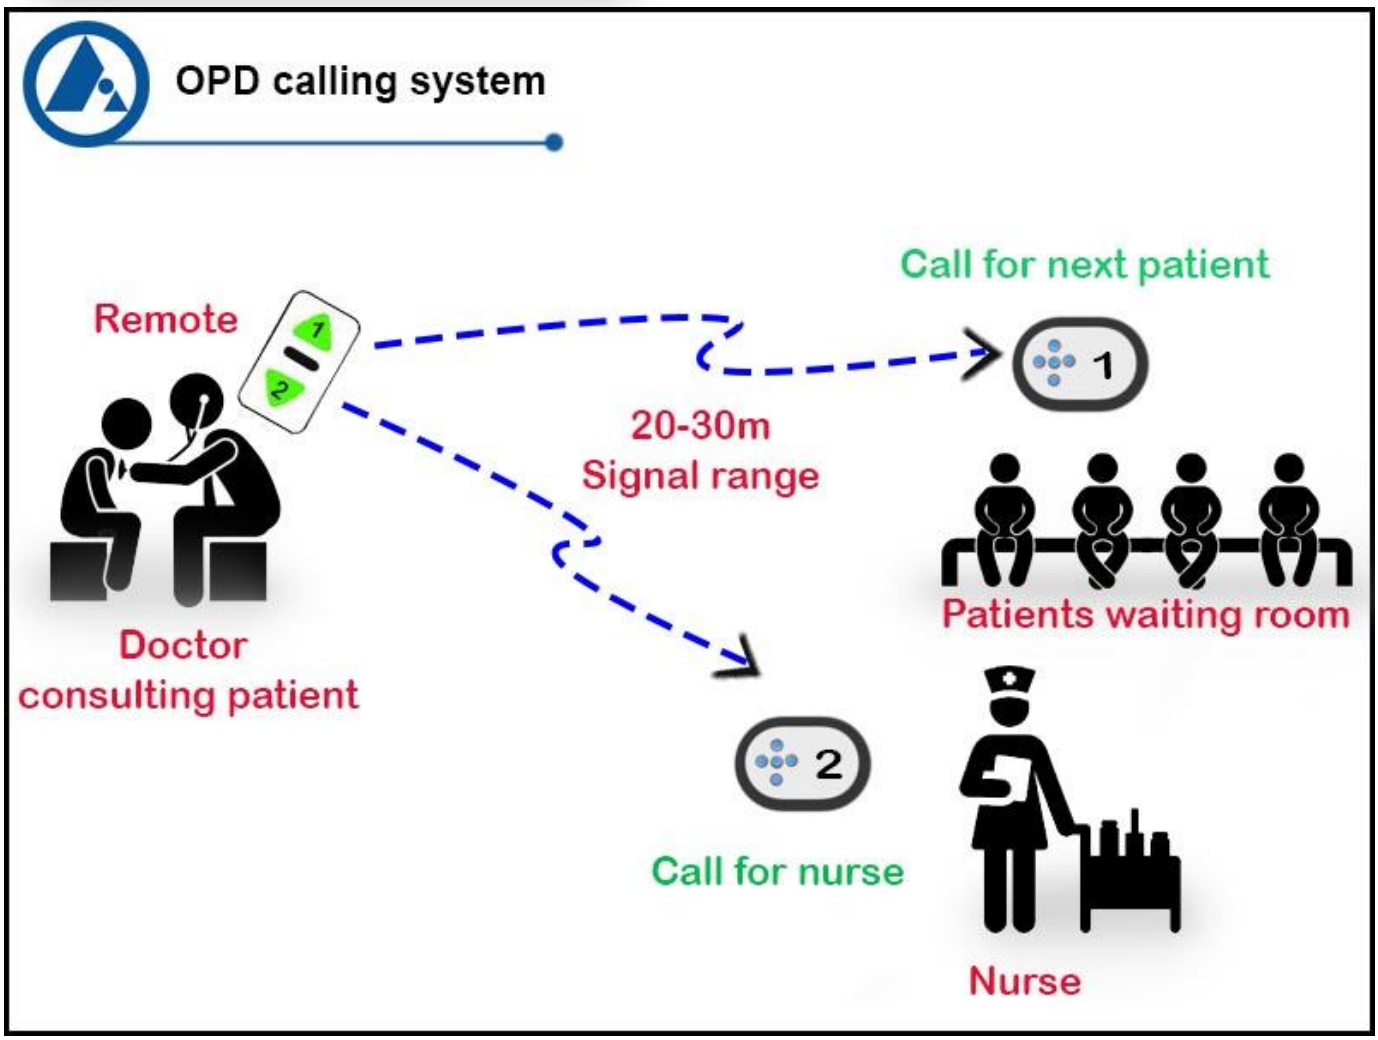

Model : FBX521
Description: Wireless remote controller

OPD calling system

Model: FBXWACCS03
Description: 1 manger 2 peon calling system

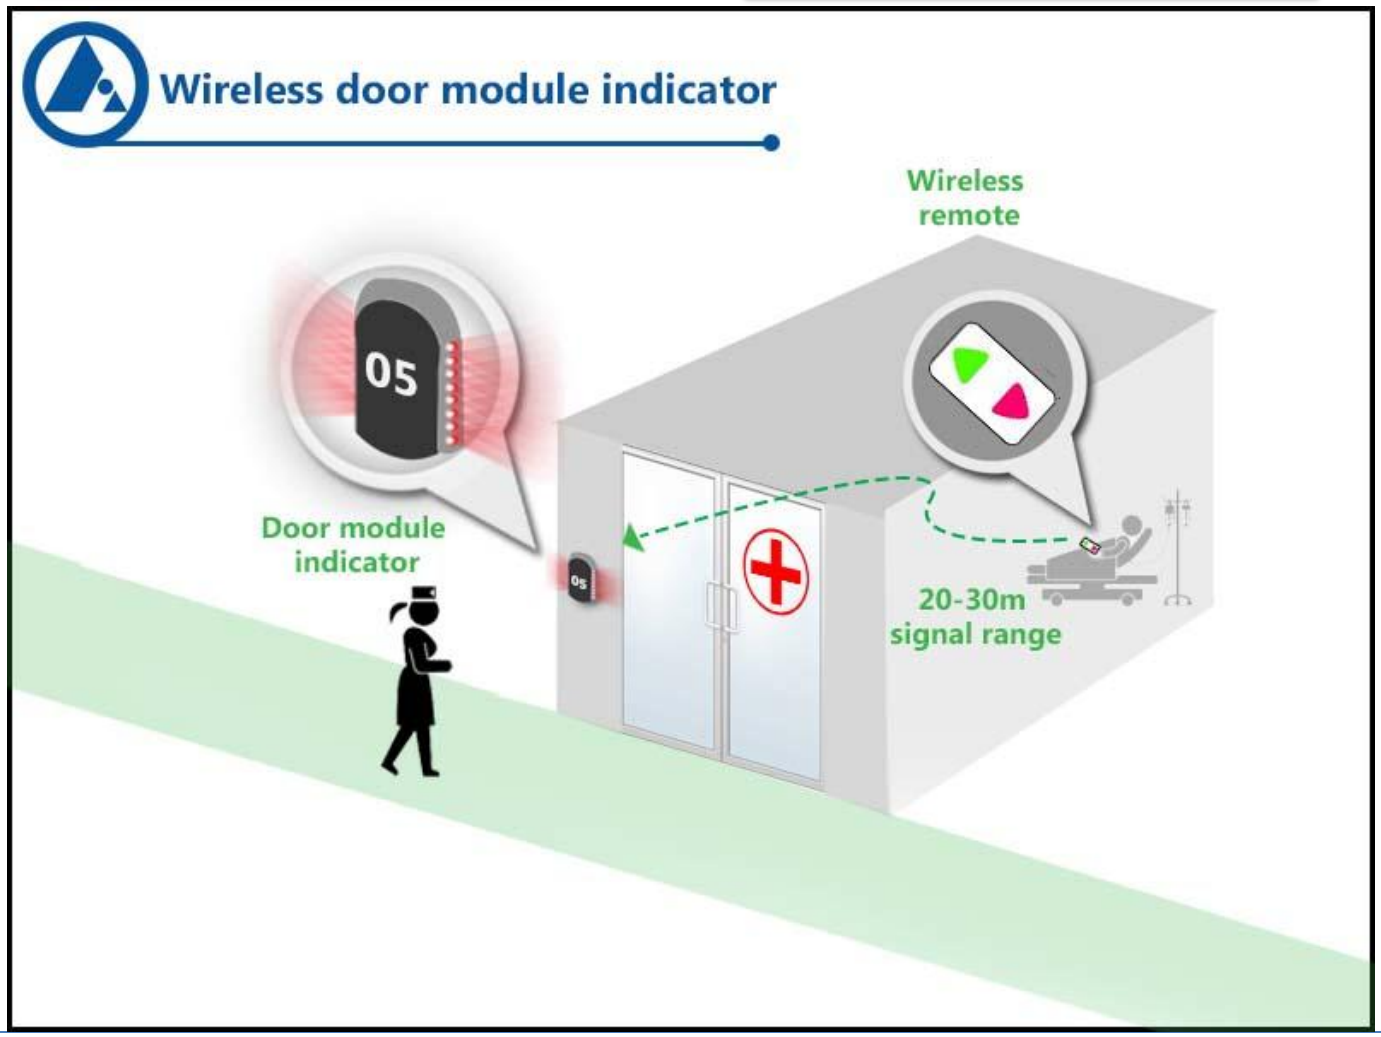

Room and doors indicators

Model: FBXDM01
Description: Door module indicator

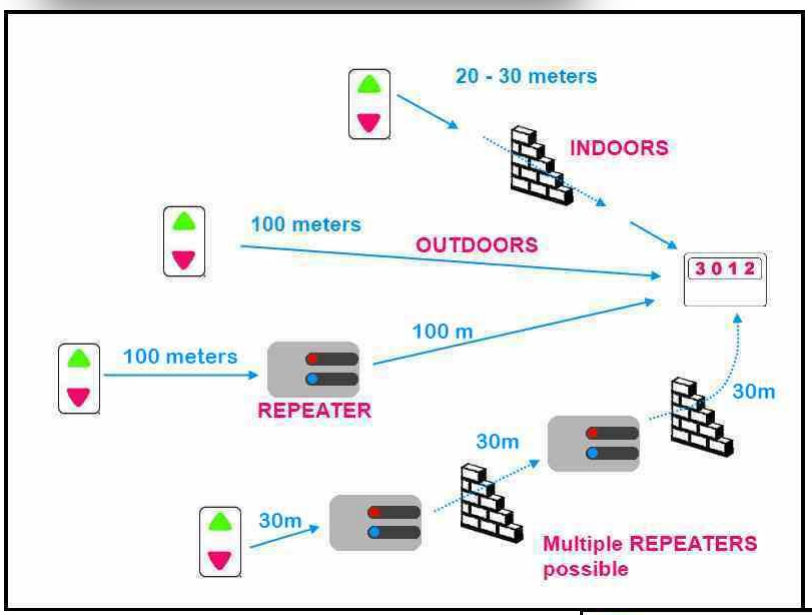

Model : FBX521
Description: Wireless remote controller

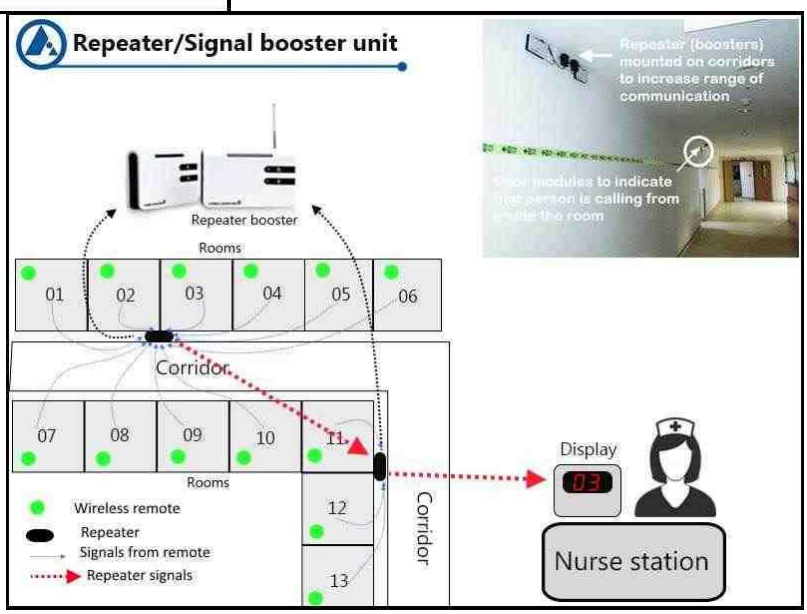

Repeater range enhancement

Model : FBXCSRPT
Description: repeater range booster

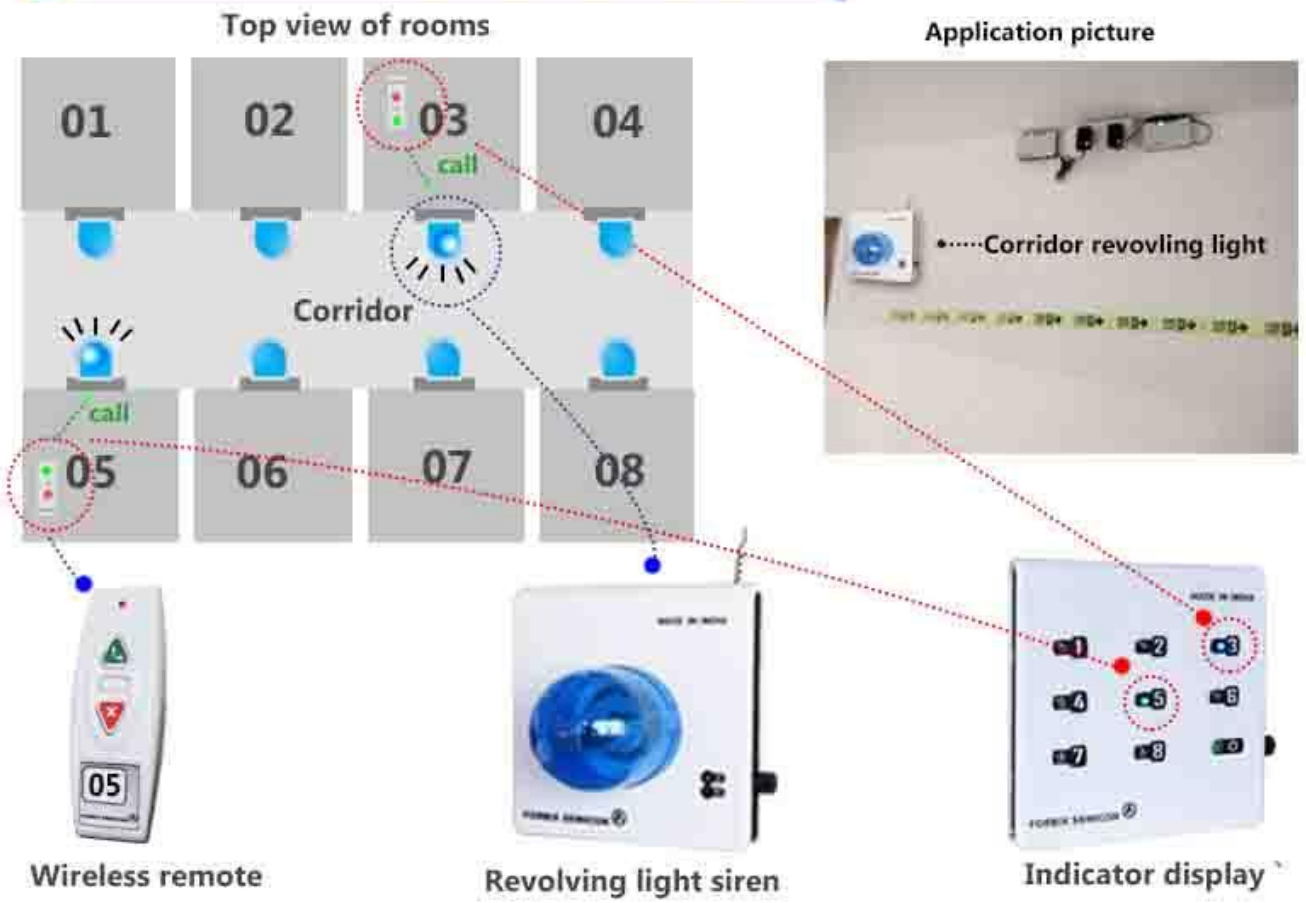

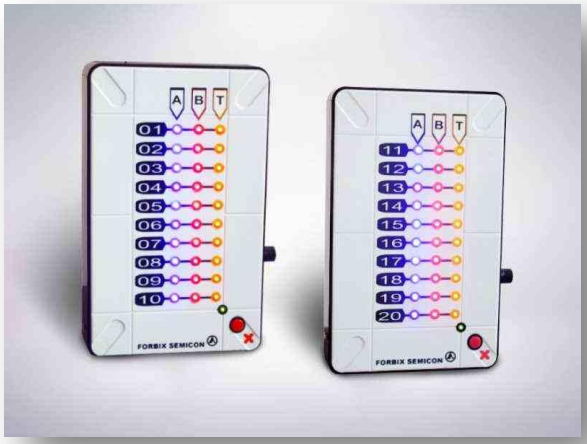

Revolving blue light siren

Model: FBXCSCB
Description: Revolving blue light siren

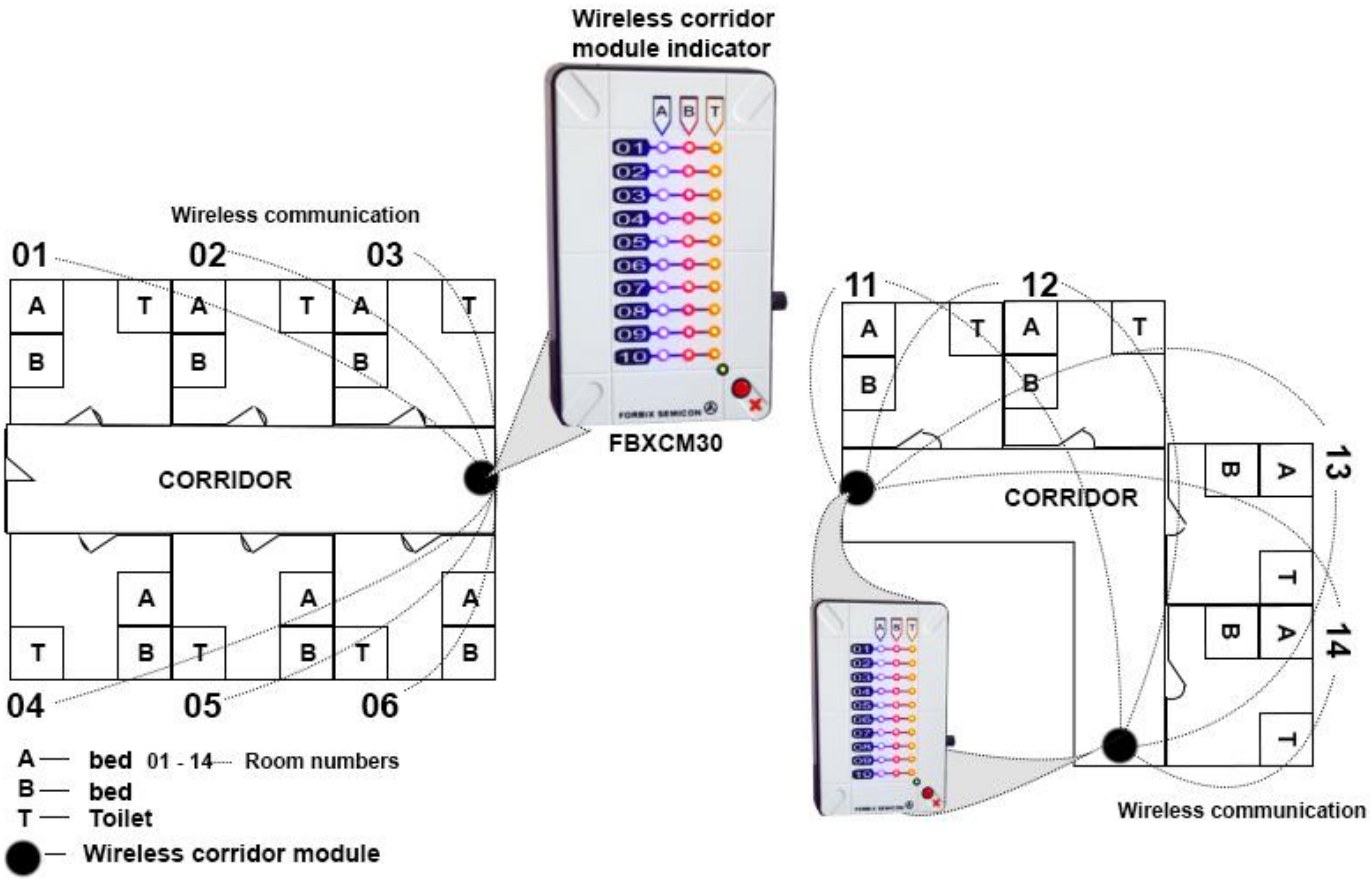

Nurse call indicator and revovling lights

Model: FBXCM30
Description: corridor module indicator system

Wireless corridor module indicator

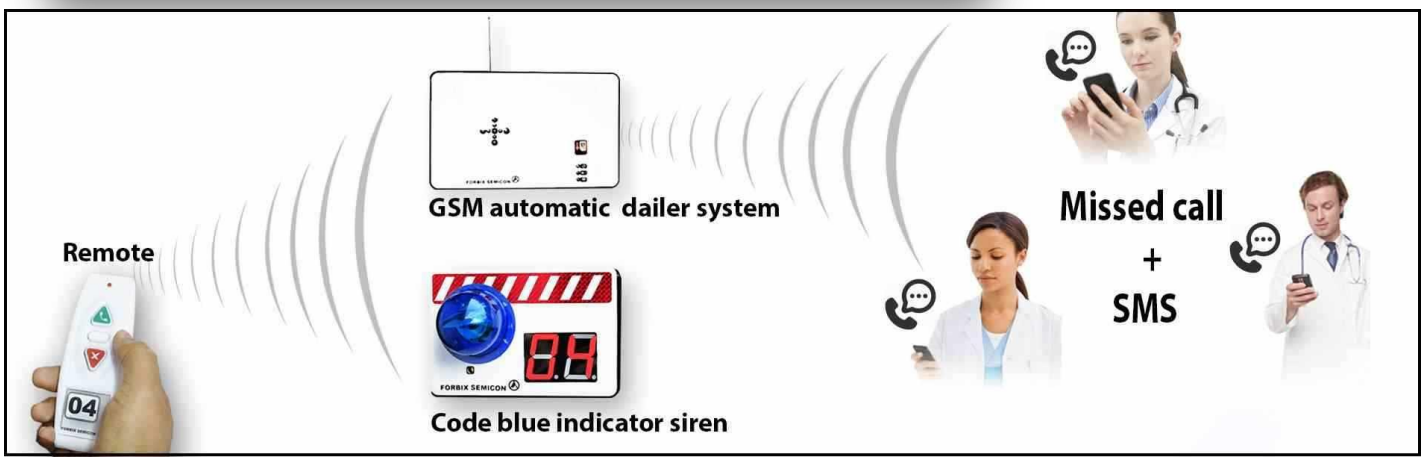

- Model: **FBXDL04**
- 24×7 data logging
- Real time CALL / CANCEL records
- Wifi enabled (downloadable data)
- SDCard (alternative data storge)
- Log data for monthly profiling

GSM automatic dialler system

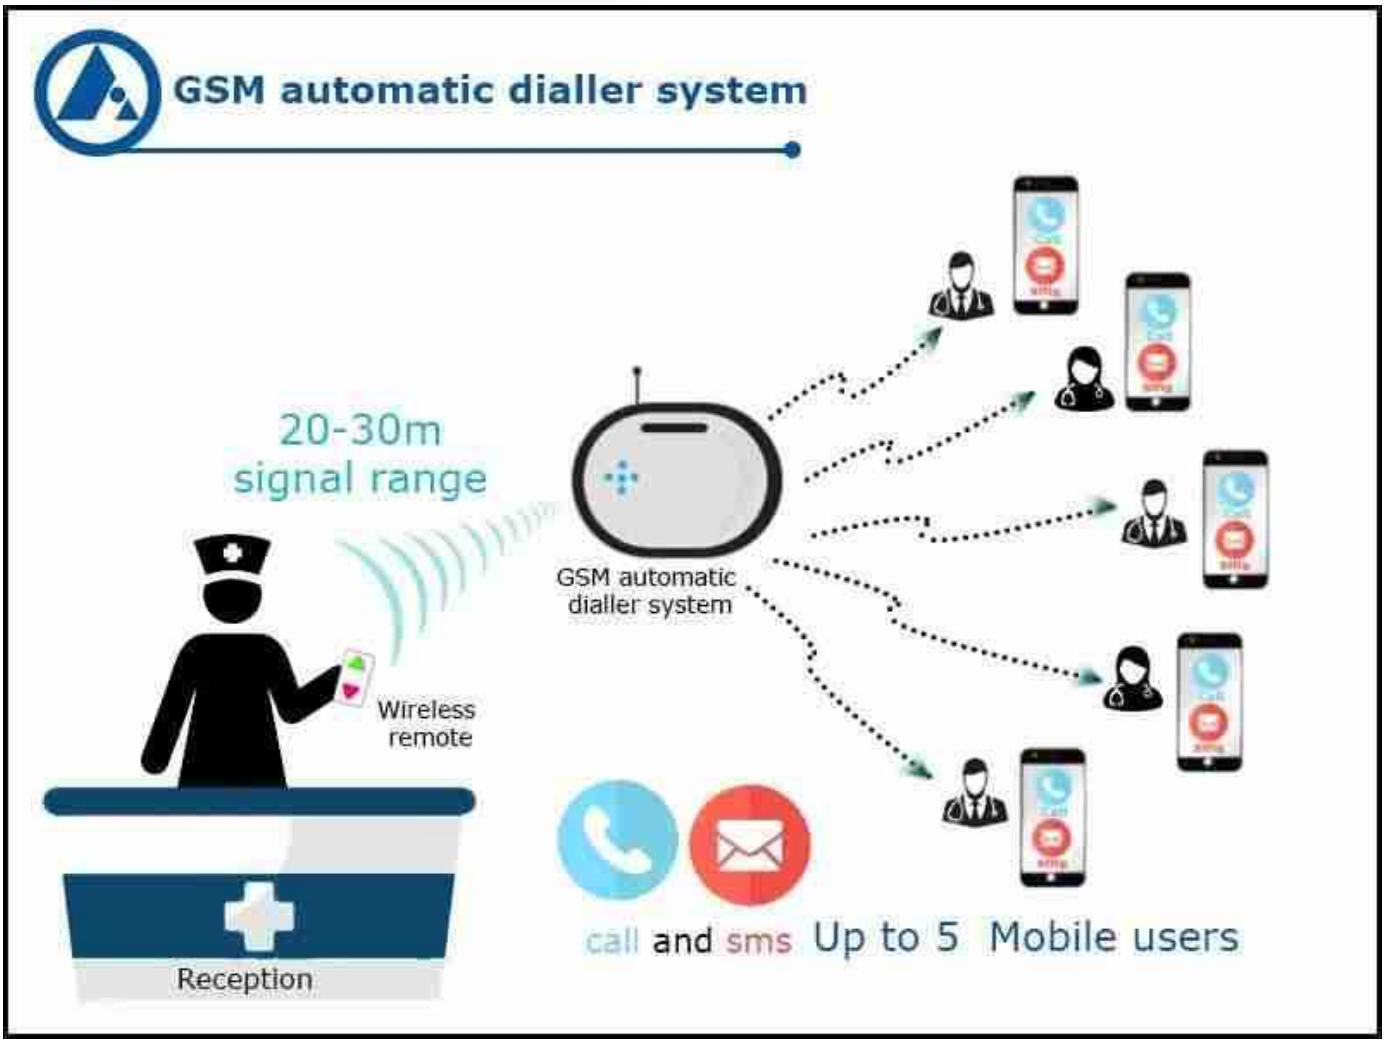

- Model: **FBXAD01**
- Alerts 5 phone numbers on emergency
- SMS and missed calls to alert
- Associates with code blue alert
- Dynamic configure 5 phone numbers via SMS

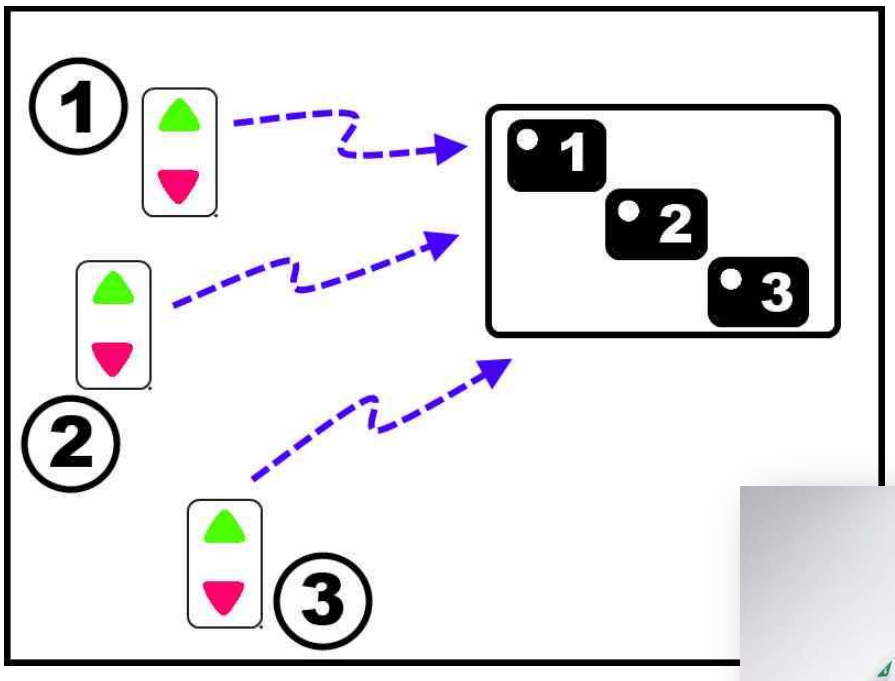

- Model: **FBXAD01**
- Alerts 5 phone numbers on emergency
- SMS and missed calls to alert
- Associates with code blue alert
- Dynamic configure 5 phone numbers via SMS

Wireless office peon call bell system

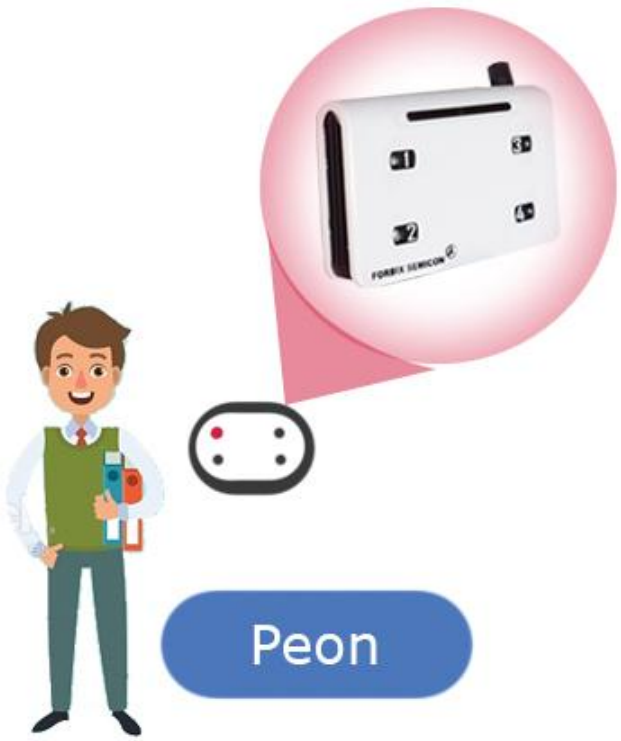

Model : FBXWACS02
Description: 2 remote calling system

Wireless office peon call bell system

Wireless office peon call bell systems

Model: FBXWACS03
Description: 3 remote calling system

Model: FBXWACS03C
Description: 3 remote calling with cancelation remotes

Model: FBXWACS04
Description: 4 remote calling system

Model: FBXWACS05
Description: 5 remote calling system

Wireless office peon call bell systems

Model: FBXWACS06
Description: 6 remote calling system

Model: FBXWACS06
Description: 6 remote calling system with cancellation remotes

Model: FBXWACS07
Description: 7 remote calling system

Model: FBXWACS08
Description: 8 remote calling system

Wireless office peon call bell systems

Model: FBXWACS09
Description: 9 remote calling system

Model: FBXWCCS01
Description: 8 manager 3 peon calling system

Model: FBXWACCS03
Description: 1 manger 2 peon calling system

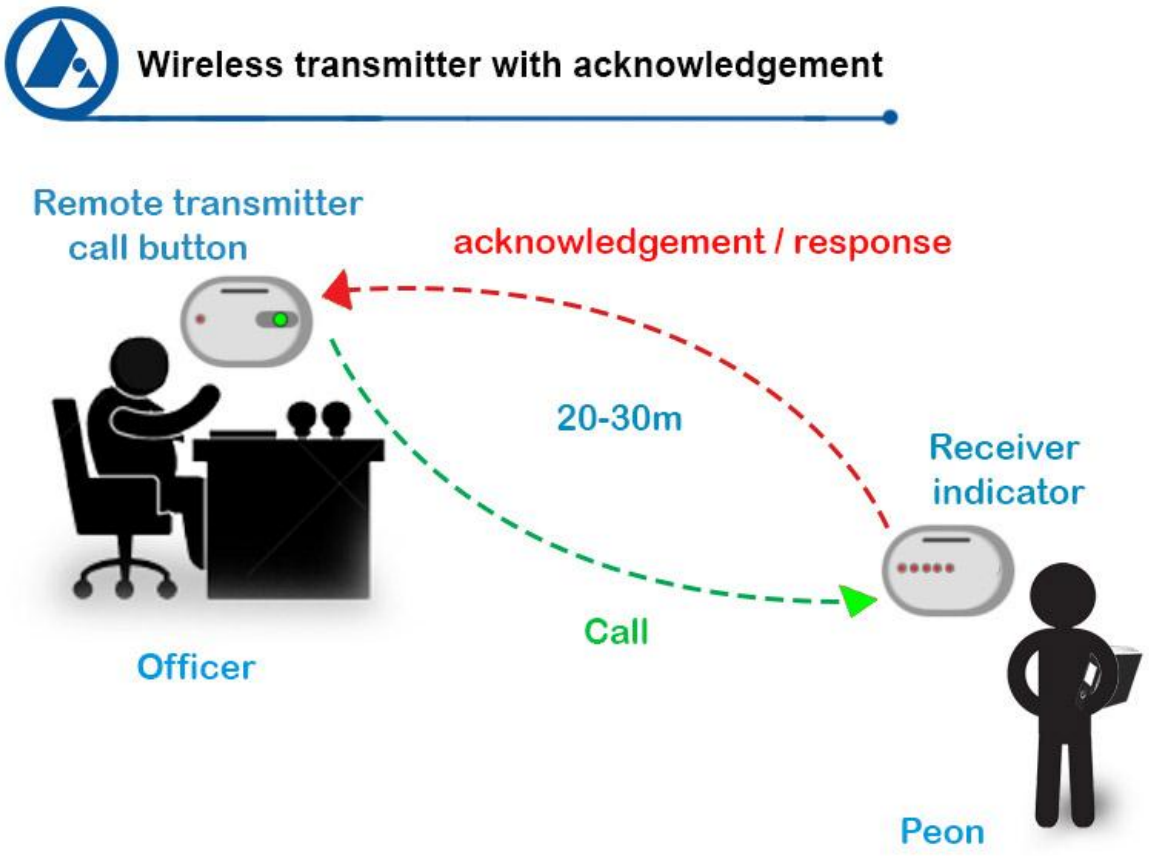

Model : FBXWACCS02
Description : 1 manager 3 peon calling system

Wireless office peon call bell systems

Model: FBXWACCS04
Description: 1 manager calling with acknowledgement

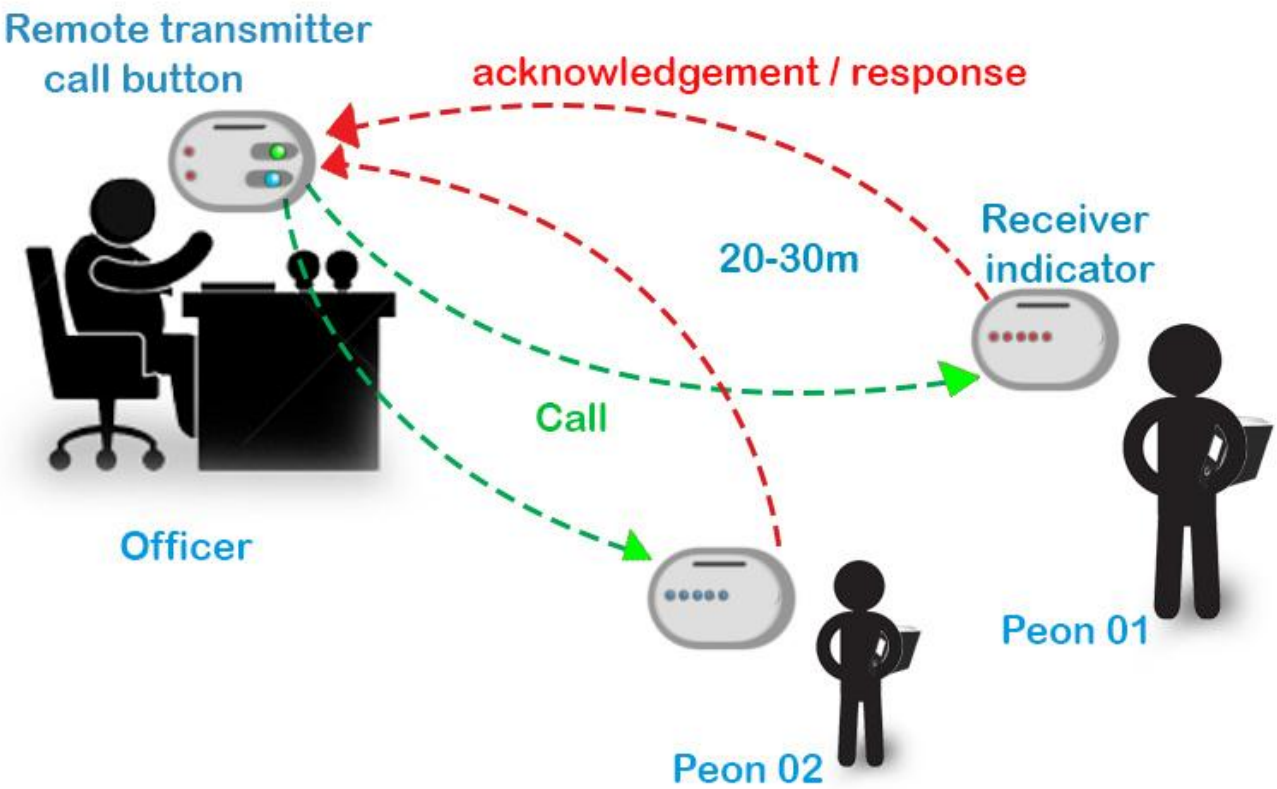

Wireless office peon call bell systems

Model : FBXWCCS05
Description: manager calling 2 peon calling system with acknowledgement,

Wireless transmitter with acknowledgement

Office peon call bell system

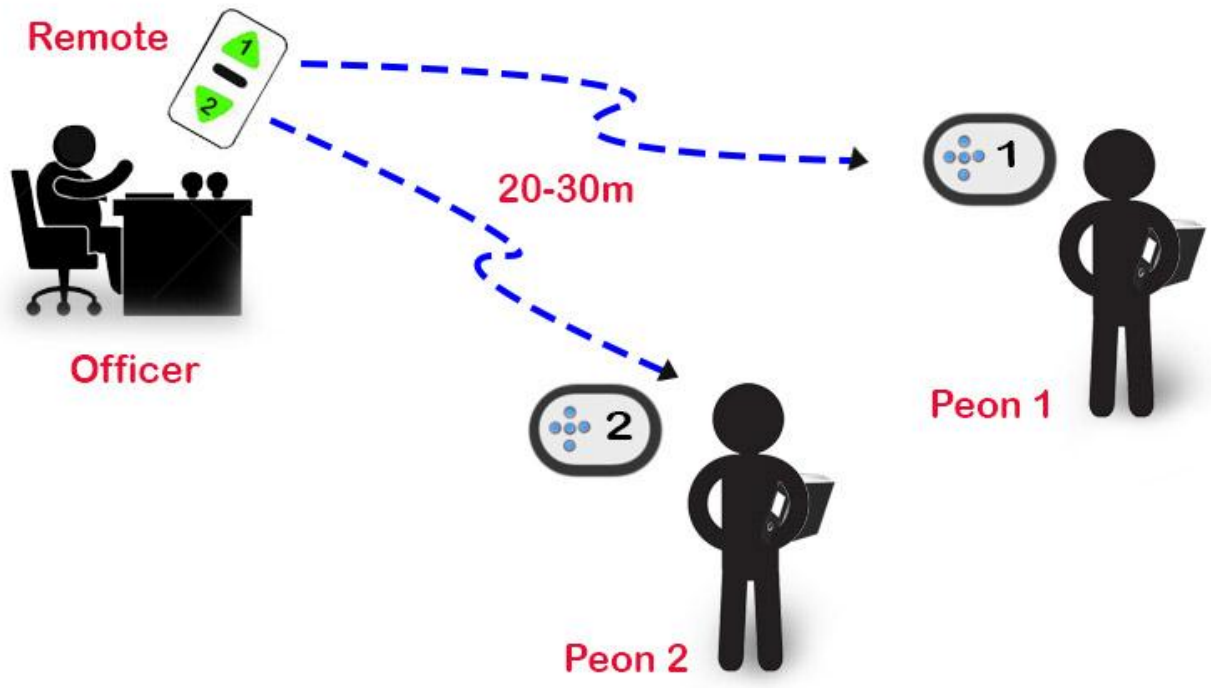

Model: FBXWACCS03
Description: 1 manger 2 peon calling system

Model : FBX521
Description: Wireless remote controller

1 manager 2 peon calling system

Office pantry call bell system

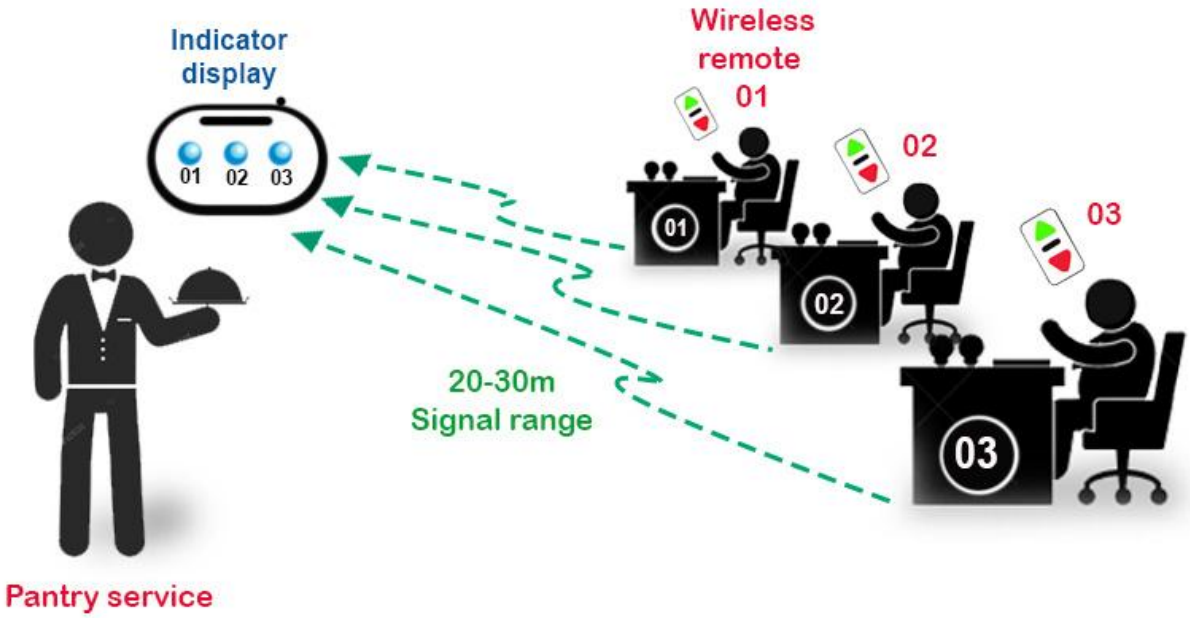

Model: FBXWACS03
Description: 3 remote calling system

Model : FBX521
Description: Wireless remote controller

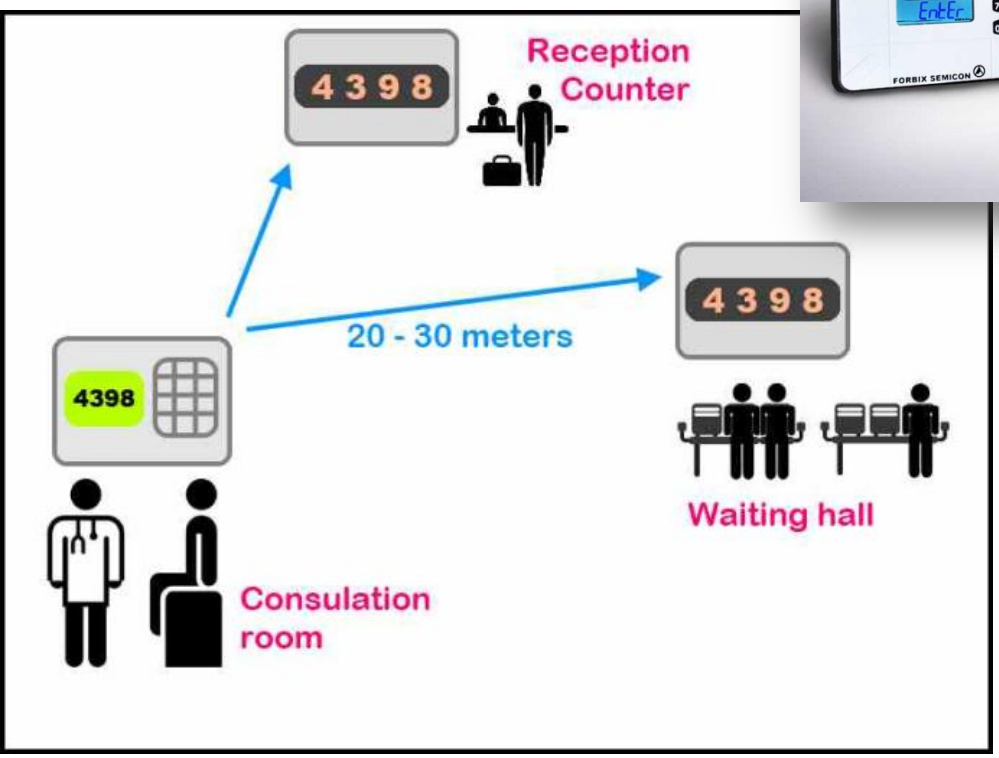

Office pantry calling system

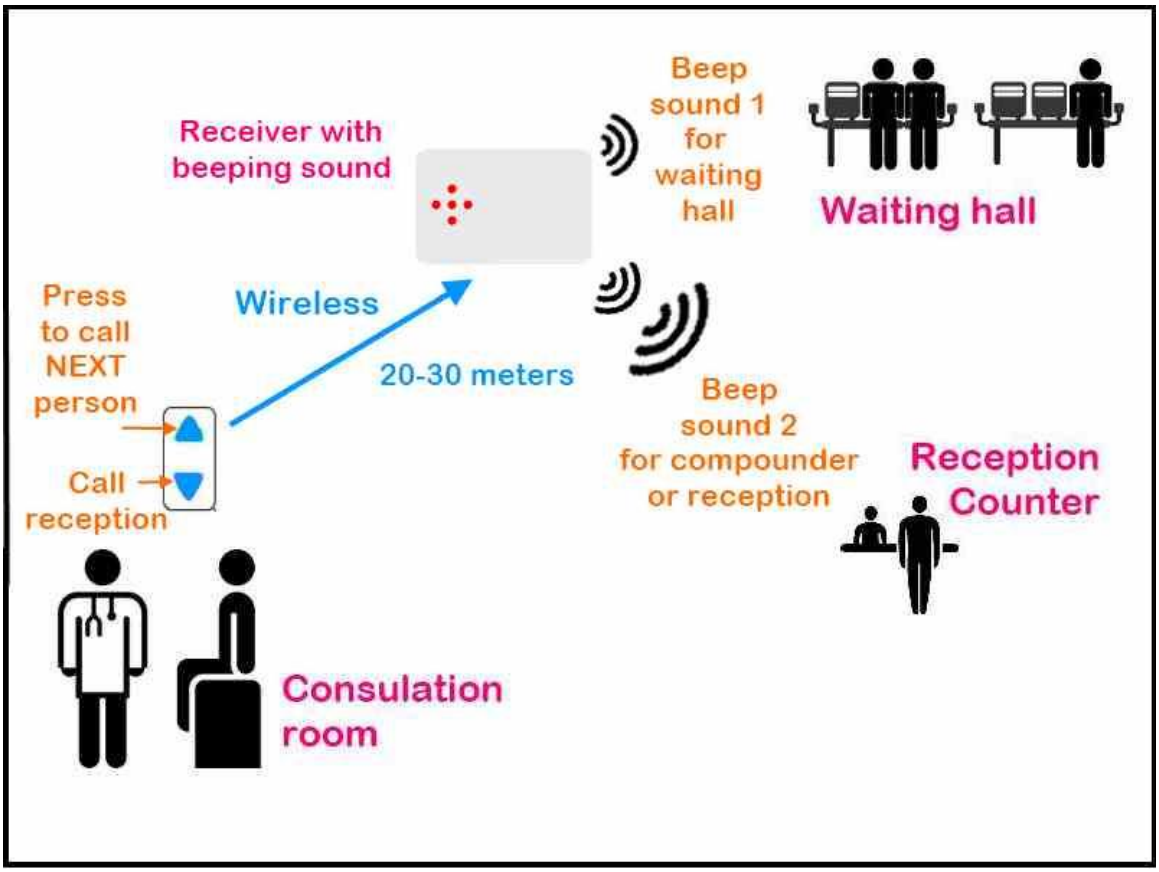

Token control dialer and display

Model FBXRC12
Description: 11 port wireless relay receiver

Wireless 11 port relay receiver

Model : FBXR11R05
Description: 11 port wireless relay receiver

Air quality monitors

Air quality monitors (handheld)

Air quality monitors (tabletop)

Model : FBXYF-1 (YELLOW FOX 1)
Description: Dust monitor hand held PM1.0/PM2.5/PM10.0

Model : FBXYF-1T (YELLOW FOX 1)
Description: Dust monitor table top PM1.0/PM2.5/PM10.0

Model : FBXYF-2 (YELLOW FOX 2)
Description: CO2 monitor hand held Carbon dioxide, temperature, humidity

Model : FBXYF-2T (YELLOW FOX 2T)
Description: CO2 monitor table top Carbon dioxide, temperature, humidity

Model : FBXYF-3 (YELLOW FOX 3)
Description: VOC / Formaldehyde monitor hand held

Model : FBXYF-3T (YELLOW FOX 3T)
Description: VOC / Formaldehyde monitor table top

Total hydrocarbon monitor

Model : FBXTHMG
Description: Total Hydrocarbon Monitor LEMON GREEN

Model : FBXTHMW
Description: Total Hydrocarbon Monitor BLUISH WHITE

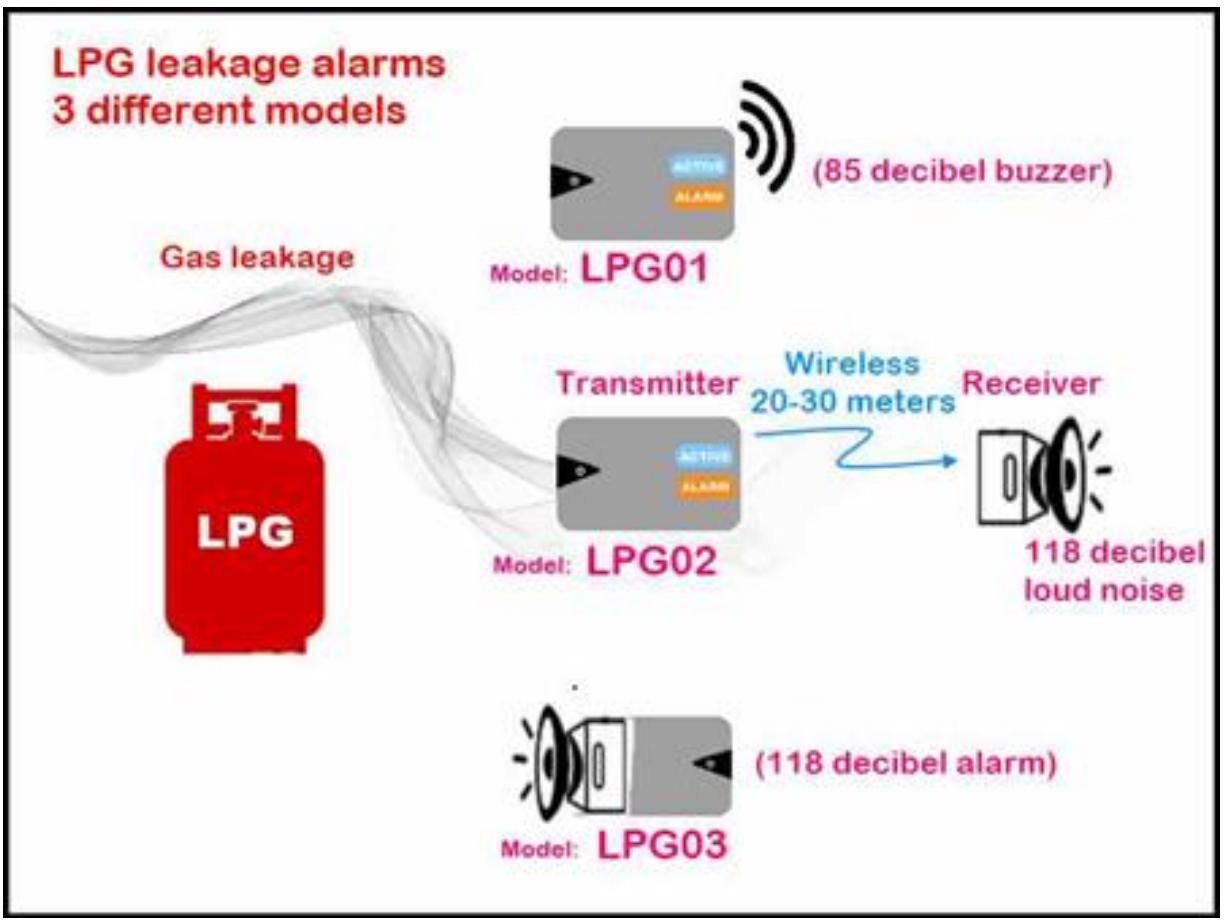

LPG gas leakage detector alarm

Model : FBXLPG01 / FBXLPG02
Description: LPG detector

Model : FBXLPG03
Description: LPG detector with siren

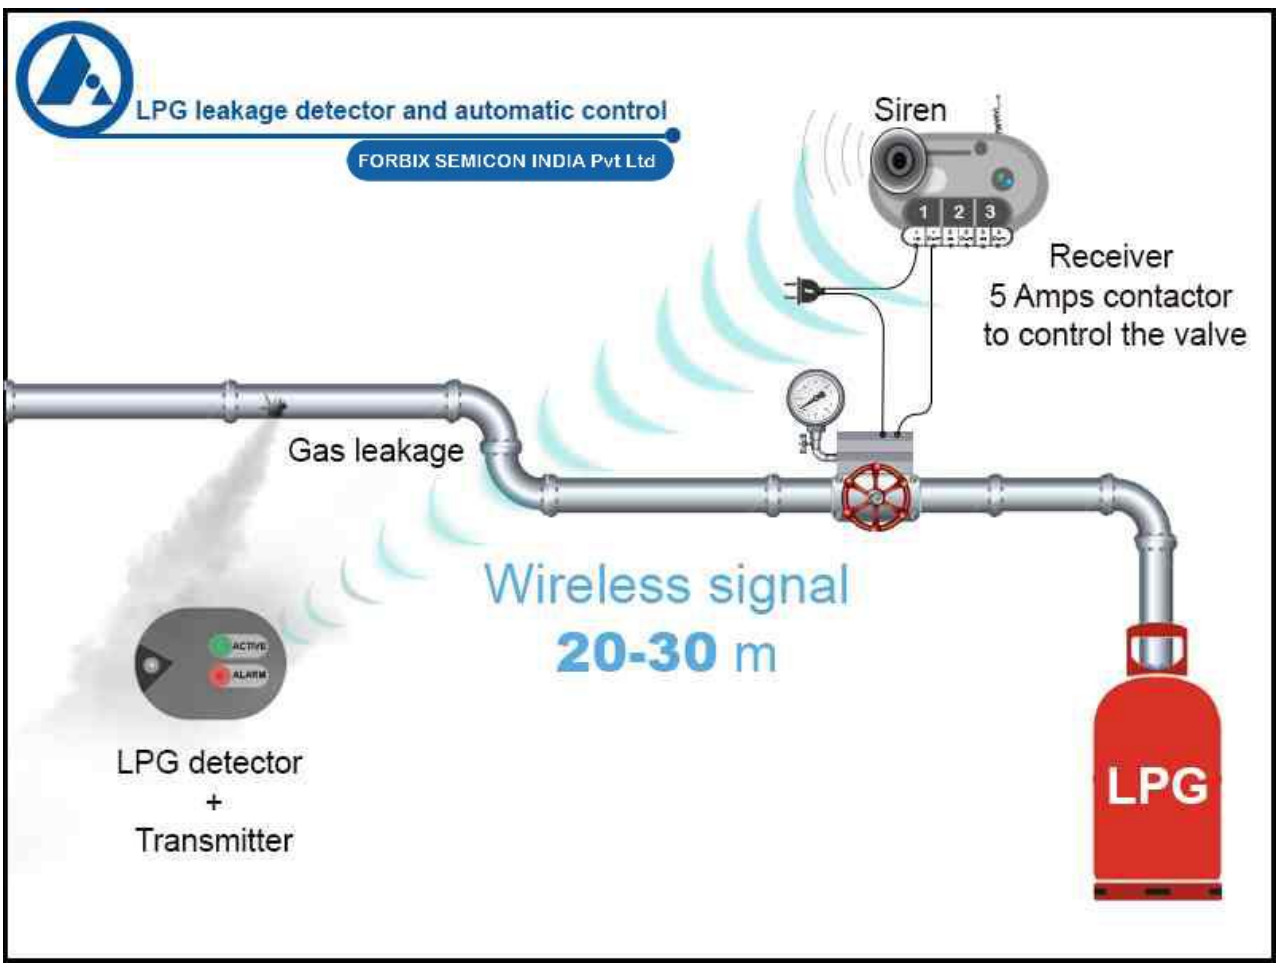

LPG gas leakage detector alarm

Model : FBXLPG01 / FBXLPG02
Description: LPG detector

Model : FBXCSR03
Description: relay receiver

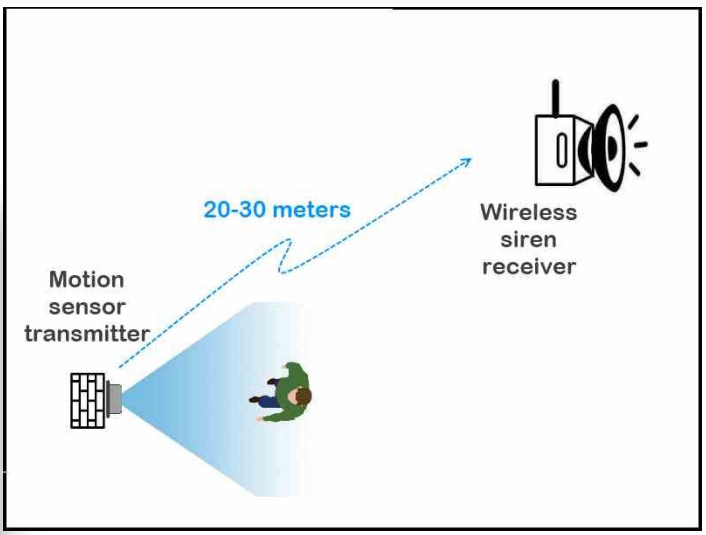

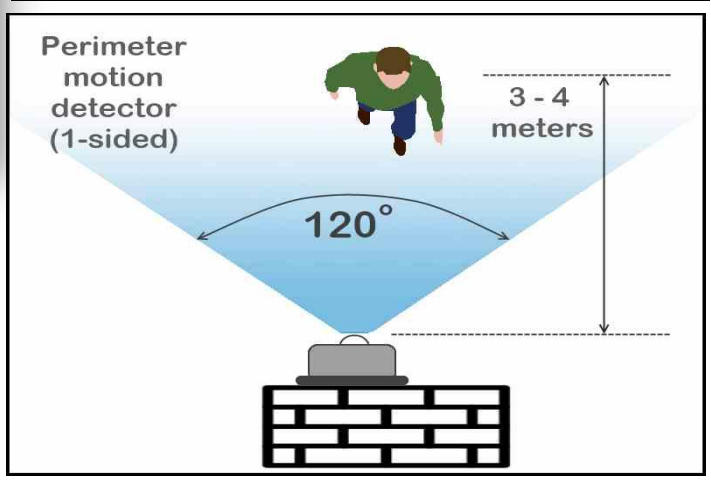

Motion sensor wireless alarms

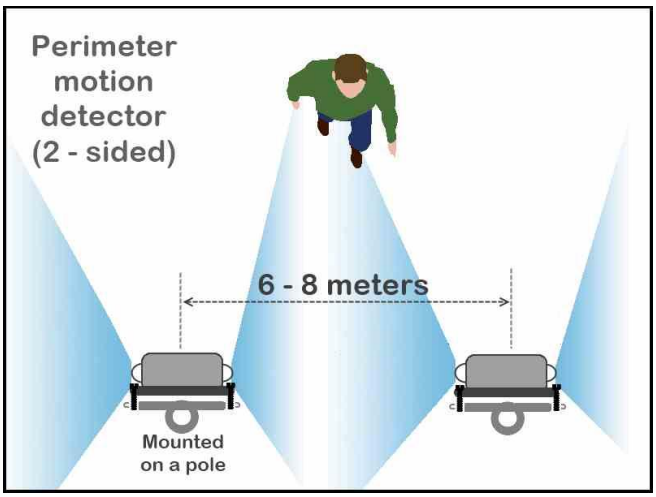

Model : FBXMS01
Description PIR motion sensor wireless alarm 1 direction

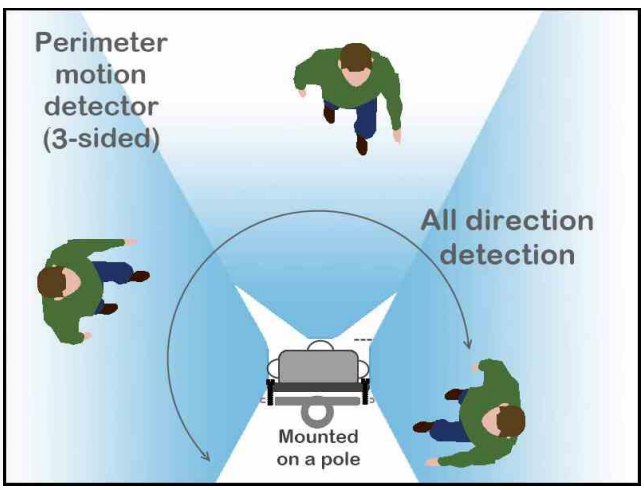

Motion sensor wireless alarms

Model: FBXMS02
Description: PIR motion sensor wireless alarm 2 directions

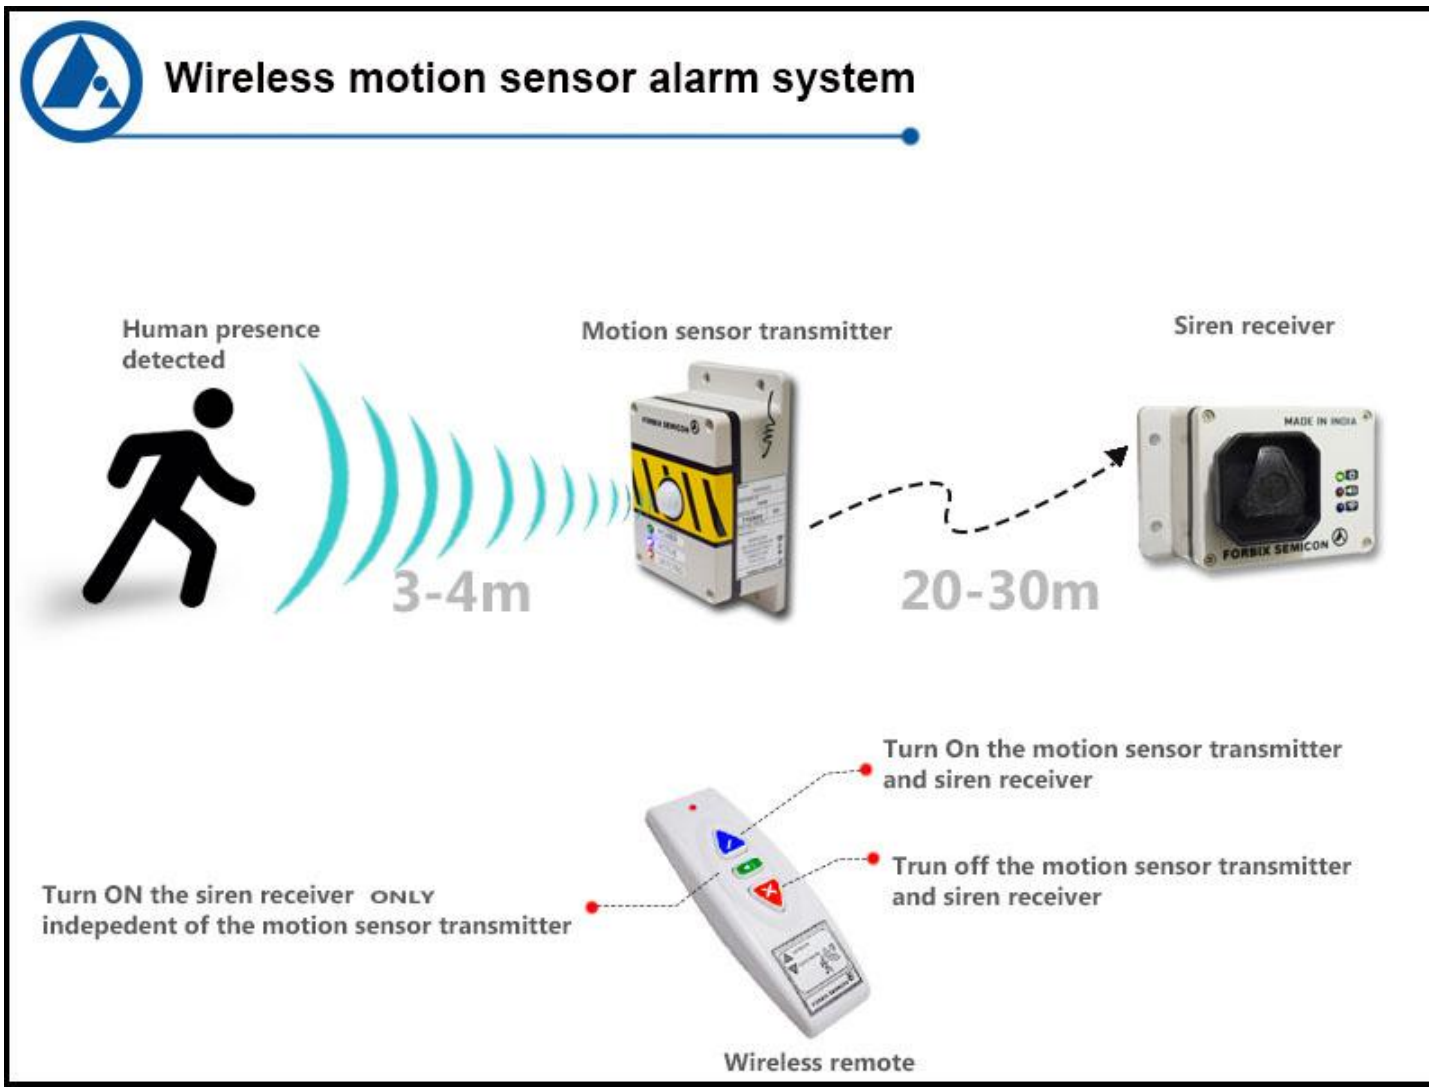

Model: FBXMS03
Description: PIR motion sensor wireless alarm 3 directions

Motion sensor wireless alarms

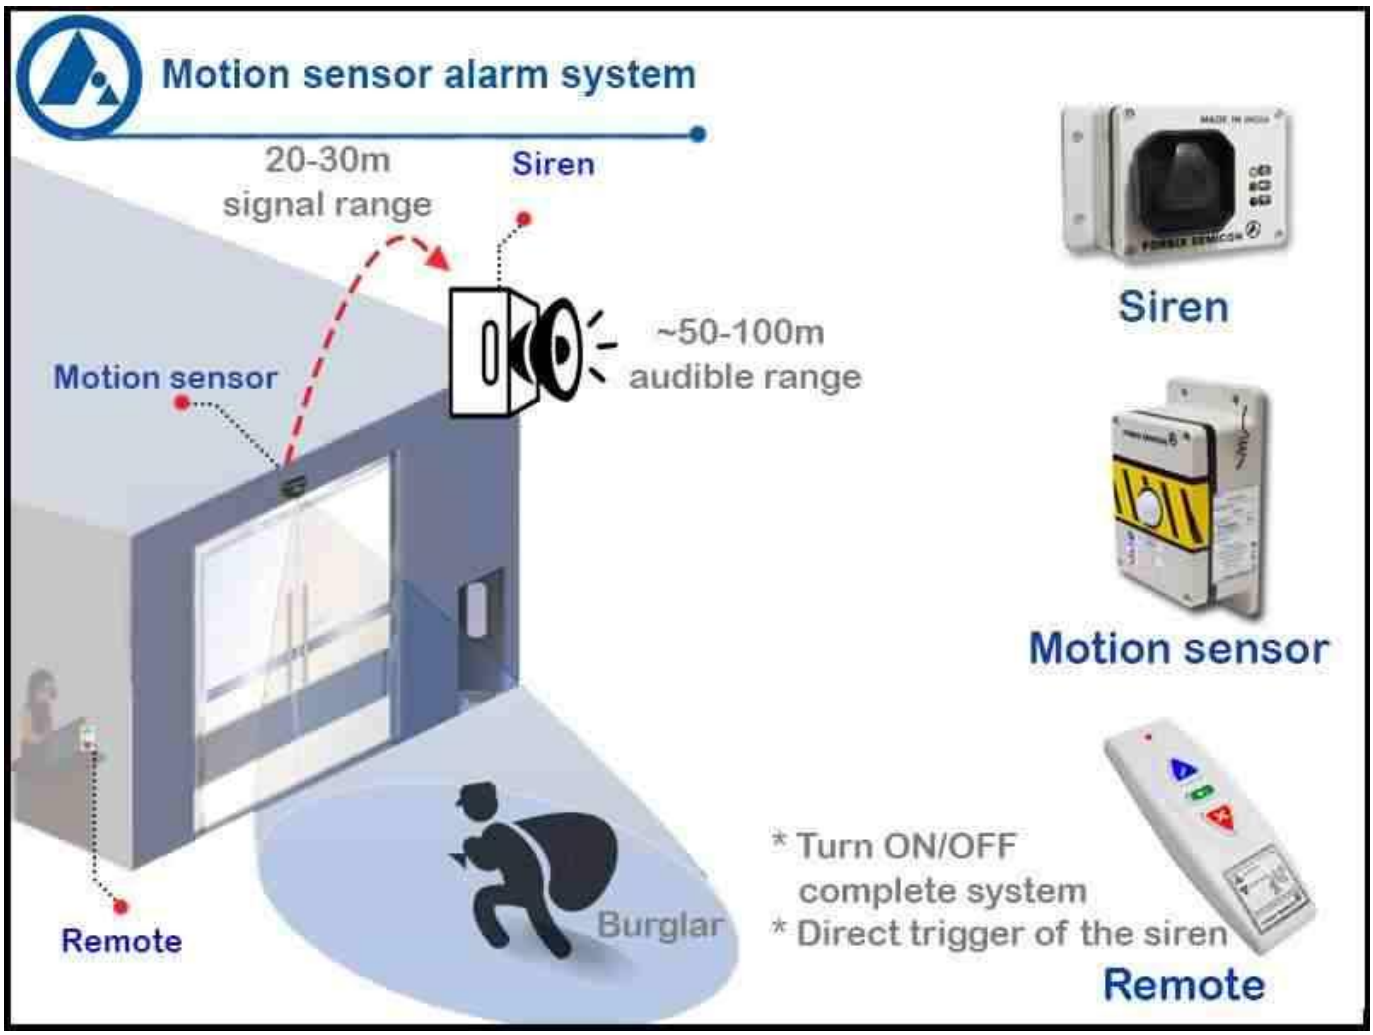

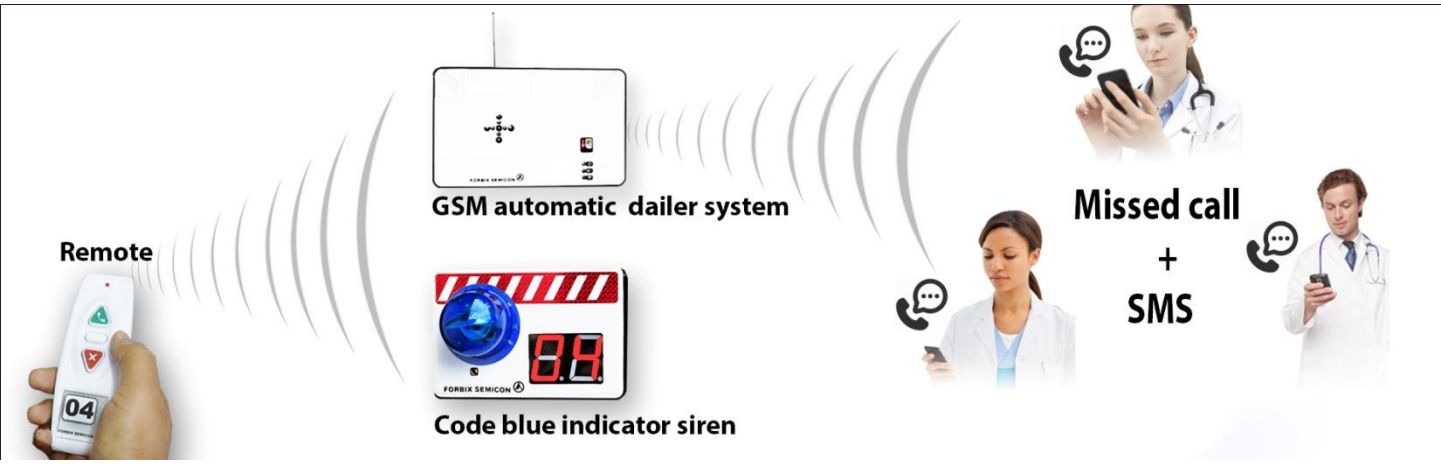

Motion sensor wireless alarms

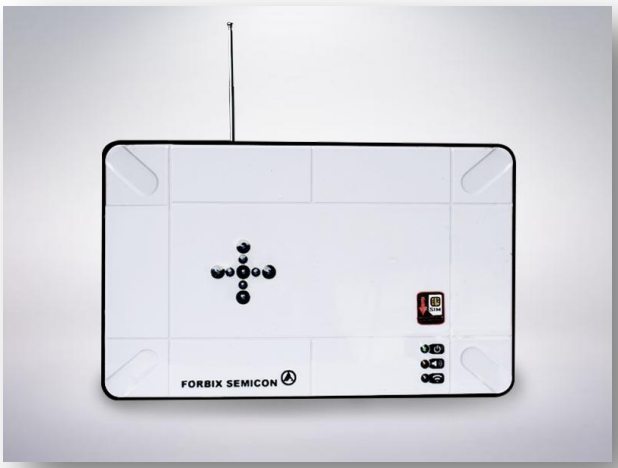

Motion sensor wireless alarm features:

•Detection of human motion within a distance of 2-3 meters
•More than one motion sensors at different locations, triggering a common siren unit
•Alarm siren located at a different location (may be 20-30 meters) away from the sensors
•Indicator unit to show which particular motion sensor has triggered
•Remote controller to activate and deactivate the complete security system
•The motion sensor alarm system operates at 12VDC power supply. We provide 110-220VAC to 12VDC converter adapter along with the set for individual components. All the unit can also be functional on 12VDC UPS as well
•The remote controller runs on a battery

GSM security systems, automatic SMS and phone dialing Code BLUE alert

Model: FBXAD01
Description: Wireless automatic dialer, missed calls and SMS to registered phone numbers
Uses: GSM micro SIM slot
Remote operated trigger

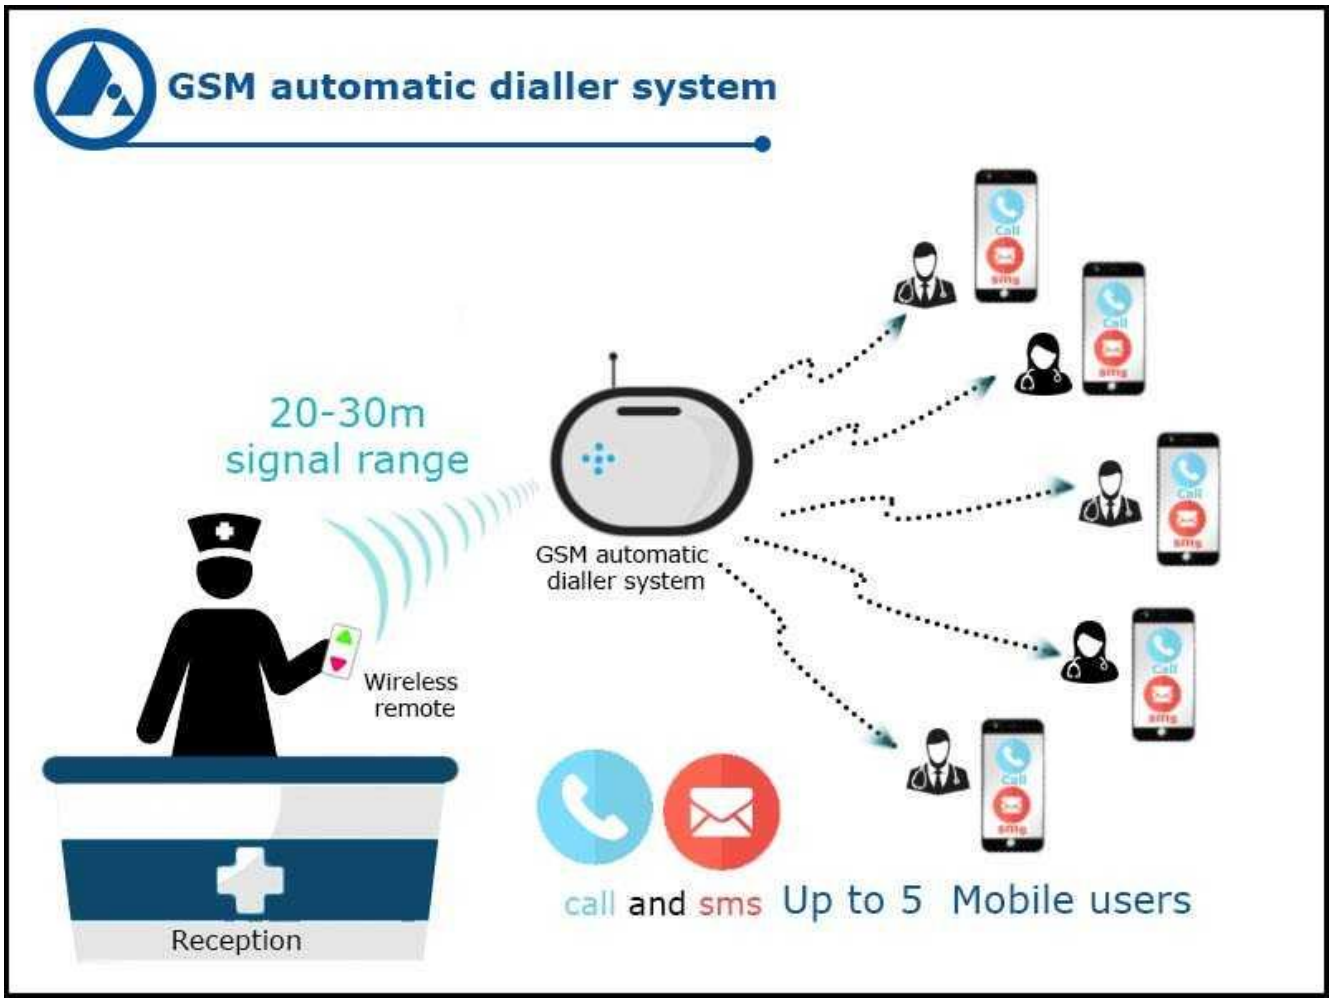

GSM security systems, automatic SMS and phone dialing Code BLUE alert

Wireless remote

GSM system

GSM security systems, automatic SMS and phone dialing Code BLUE alert

Highway emergency systems

Model : FBXHECS
Description: Highways emergency calling system

Wireless traffic light controller

Model : FBXTLC01
Description: Remote control operated traffic light

Pedestrian crossing button transmitter

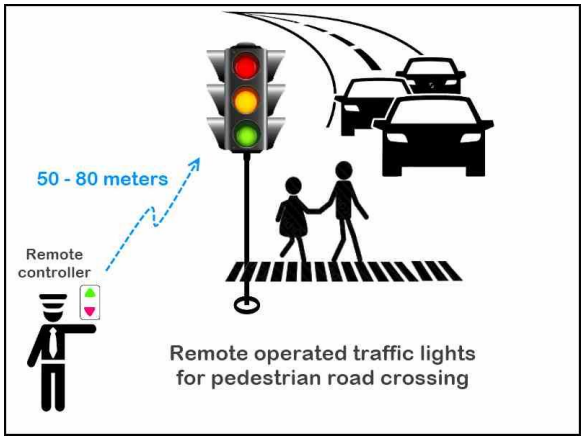

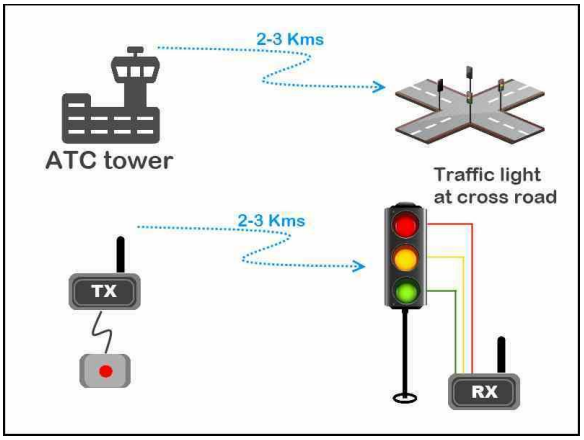

Model: FBXPB521
Description: Pedestrian button for crossing roads

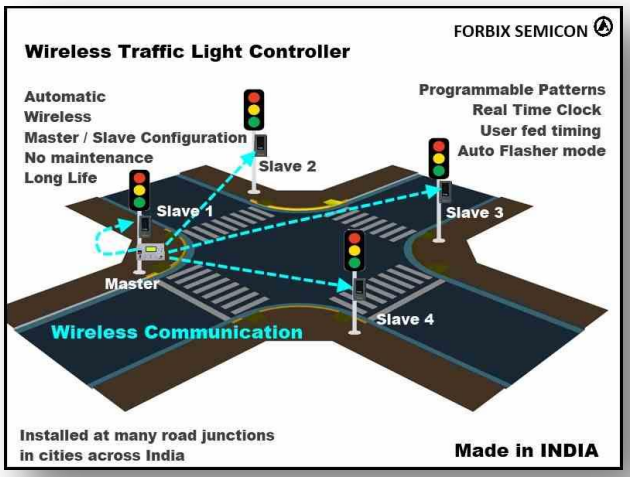

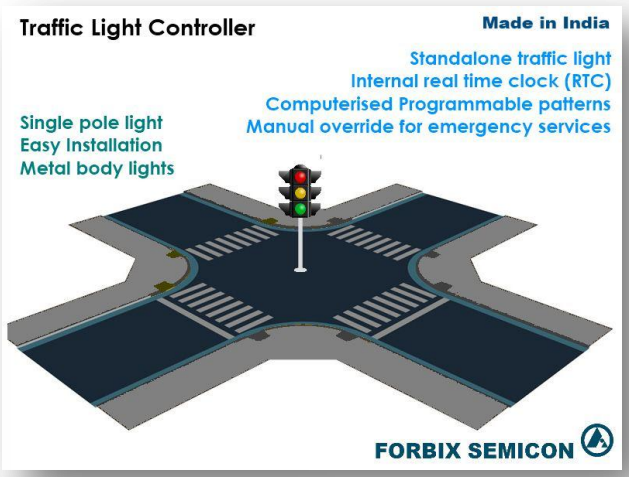

Model : FBXTLC02
Description: Pedestrian light control (RED/AMBER/GREEN sequencing)

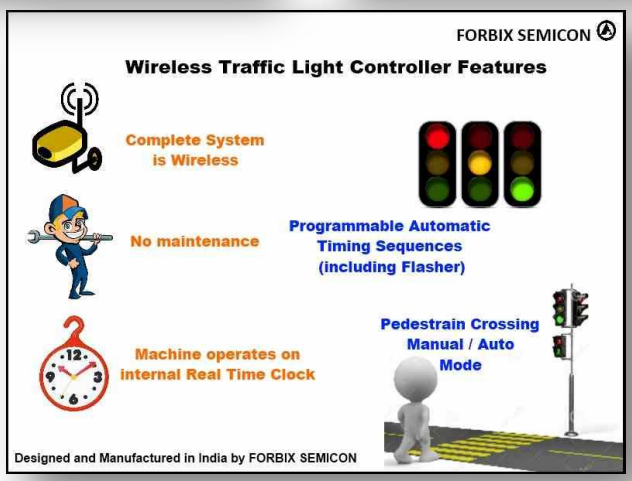

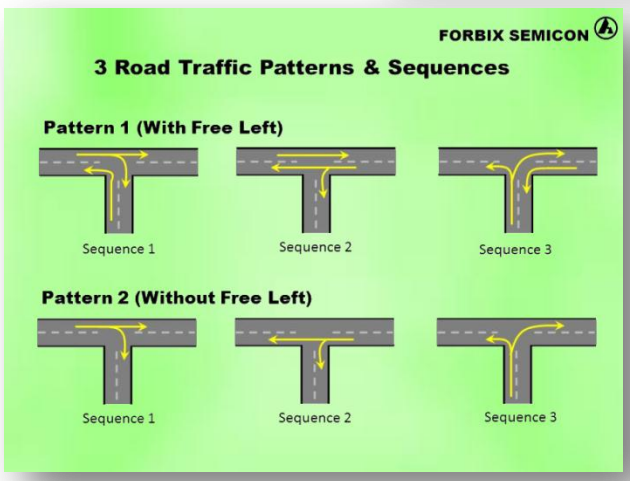

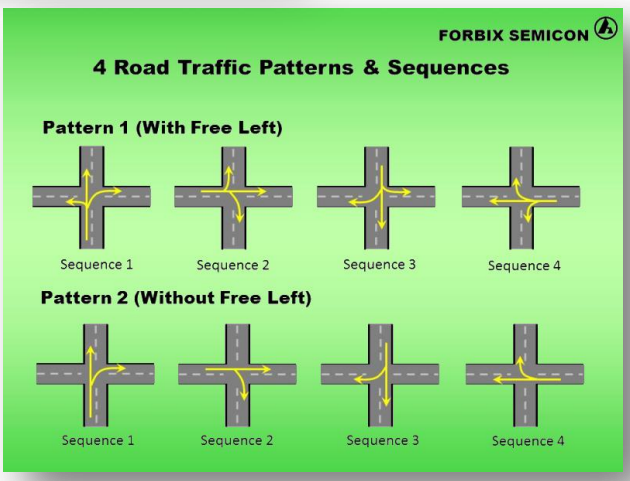

Wireless customized traffic light control system
